Mark 3
God Gave satan A Chance
(Message Given by the Sweet Holy Spirit in and thru Pastor Jo Vah)

We're going to bring some light through Christ, who is the Light and who brought this about. Lets go to Mark 3 and this is a great eye opener –great eye opener.

And I'm looking to the Lord right now for his judgment and mercy, cause there is wounds to come to the Lord, to the person of the Lord, I already know that. But this is going to be anyway. So in 3 (Mark 3), lets start about 10 (verse 10). Now at this time of Jesus, there was crowds following Him. *10 For he had healed many, so that those with diseases were pushing forward to touch him. 11 Whenever the evil spirits saw him, they fell down before him.*

Now hear what the evil spirits did? Now the evil spirits here, didn't go up with their fists or something, but they fell down. It seemed like they got some worship there, doesn't it ? I want you to think about this children of God. A lot of time people ask me how can they do this, how can they do that? How can they? We're not suppose to judge, but we can judge all things through the word, "The Word" is the judge! The "word" teaches us and we should be able to know through the 'word', the situations and not be in confusion or wonderments . And this ought to help a lot of people. This ought to help a lot of people. It helped me. So let's listen to what Jesus said. *11 Whenever the evil spirits saw him, they fell down before him and cried out, "You are the Son of God!"* Thomas, seems like, Thomas said, You are their Lord, proclaiming God in the resurrection time, and we hear that Peter said, "You are the Christ", that He was the Son of God. That seemed to be alright! In fact, Jesus got very excited, because Father had revealed it to the people and he said, "On this rock I shall build my church, on this Rock, The Father will reveal who I really am they're going to know me. Cause Father God is going to reveal this to them, just who I really am." Isn't that Good? That's exciting! That's glorious! So here were these evil spirits and they fell down before Him and they said you are the Son of God. You know, they look like they were doing all the right things, doesn't it? Looks like they were doing everything beautiful, you know, it's like if someone comes and says, "Master, Pastor, Whatever" and give all of the obedience and obeisance . Continued on page 2

But he gave them strict orders not to tell who He was! It was not up to them to choose to be the carrier of the message. Now did you hear that? You don't just walk up and choose to be one to carry God's message, especially an unclean spirit. But I want you to see what God brought out about this and Glory to the Holy Ghost, the Holy Light of God. Because He goes into places, I know He does with me, where others don't want to get into it. He does that with me. Because they say that gets too much, we can't, lets not go there. But God charges in and said "Go right there. I want to show my people you don't back away from scripture and you don't get afraid of it, you read it and you see it by my life". So we see right now, these unclean spirits don't' have any chance, and maybe people say, "Well see they wanted to serve God. Maybe they're unclean, but see Jesus, he could even save a devil. Well, they're bound to him. Oh treat him so nice. Saying all the right things." But see they're unclean spirits.

13 Jesus went up on a mountainside and called to him those he wanted,

Uh Oh, there's a difference now, He's going to have who he wants, you don't just walk up and say, "I want you". He says, He's going to get who He wants. But here's the beauty of Christ ...and they came to him. *14 He appointed twelve—designating them apostles—that they might be with him and that he might send them out to preach*, now just knowing who it was but He had a method, a medium, a way of having people know who He was, and that way was preaching. "Preaching." I wander how many are still feeling sorry for the devil? Well they seem to bow down before him and know who He was, why didn't He give them a chance? Well listen. He gave them to have authority to drive out demons. How many did He choose? Twelve. And He said, " I've chosen you twelve, and one of you is a devil." One of you is a devil. Did you hear that? So Yeah, He chose out a devil!

Now that ought to begin to tell us something. And begin to ignite some flame and have some fire and show us something about our Christ. Oh yeah, He gave the devil a chance. And then people ask, "Well then wait. He said a devil can't cast out a devil, or satan won't cast out a satan, but then He goes in and says, 16 *These are the twelve he appointed: Simon (to whom he gave the name Peter); 17 James son of Zebedee and his brother John (to them he gave the name Boanerges, which means Sons of Thunder); 18 Andrew, Philip, Bartholomew, Matthew, Thomas, James son of Alphaeus, Thaddaeus, Simon the Zealot 19 and Judas Iscariot, who betrayed him.* He chose them. He chose them. *And these He gave authority to drive out demons*. Now here we are where people say, "Lets not get into this. Now let's not, it's too confusing now. No, it isn't confusing at all. Well he chose a devil, and said he gave all twelve authority to cast out demons and devils and here He said that you know the devil isn't against the devil, so how does all of this go together? Let's just not talk about it. Well, lets talk about it. Lets talk about it because then when you know about it, and that's why I say you tell people where you get your food, will you? Cause I know where I got it. I know the table from whence it came. And God wants to show us something. You see he gave him Holy power, not an evil power and He brought him in and gave him every chance. How many understand? He gives the devil a chance, He give him a power that was Holy to combat and to combat evil. You see, so He didn't just have satanic power, he had God's Power and so did Lucifer at one time. He had God's power, but you see he was what he was. And he wanted things that God wasn't. And so that formed iniquity in him. And you see, then he fell as lightening and was re-named and he was named satan, the devil.

So here's the devil's got a chance. But God will chose if the devil has a chance, demons don't' just go up and say, "Well you know… you know, we'll bow, we know you're, we know you're the leader here. We know that you're all that, you know." They seem to have a form of Godliness but they deny the power. I mean they're not there with the deity, they never will be there with the deity because God proves it through what he did right here. And everyone of us that's listening will understand it. Why he chose the devil, and had it printed that we can understand something. That he'll give a devil every chance to be Holy and to be good, cause you know what the devil does? He reverted back and give his heart to satan.

And you know what, I've seen this operate in people. They'll come to the truth and then like butter, they slip right back out of it and they can't stay in the truth. Do you know why? Because they're not children of God. No they can't stay in the truth. They'll say, "Your right, you're right there." And they're right out again. And before you know it, they're excusing everything they do and they're on the opposite side. I want to tell you something about Judas. Which you already know. His way was one of love too. Yes, his way was of love, seemingly. He went up and said, "Master", and kissed Him on the cheek. And these devils fell down before Christ and said, You're the Son of God. Does that help you in any way? When you see someone that seemed to do all the right things, but they're really out to kill and destroy ministry! They're out to kill and destroy! Come on! God said, "You will either gather with me or you'll scatter." Does that help you? So when you say, " Well they seem to say all of the right things and seem to be so worshipful and everything is just so right, but they just don't seem to talk right at other times. They just don't seem to be really lifting up the ministry of Christ here." Don't be confused. Don't be confused. You know why? Because the seed of satan will always be that seed, even though God gives them opportunity. How many know that parable, where he throws that seed out and it enters the hearts, but its not going to do them any good. Jesus didn't plant them here. Did you hear? He did not plant those seeds here. He said, "While men slept, the devil did that." And you know what? Their heart is prepared for the devil. And they don't want God and they don't want holiness, they don't want honesty, they don't want humility, they don't want to have true, glory for God. They want Glory for themselves! They want glory for themselves. And when you begin to say," Well, why didn't you tell where it was from?" Well don't be concerned, I'll tell you why they didn't tell, because they don't want the glory to go in that area, they wanted the glory for themselves! That's why. So you see you begin to understand. And you say, "Well can devils be right in with the children of God?" You know they can. Well sure they can. The only thing is, you let God do the work. You let God do the work. Because you know what? Sometimes if you try to rip out a tare, the wheat will go with them. You know, I've seen people that put their self in that place, when they shouldn't. How many hear this? And their not the ones that even should think of themselves that way, but they will. And then the devil's seed, they'll sit there knowing. You see, Judas he said, "Is it I?" you know he was like wondering too. He knew it was him, come on, he knew it was him. He knew the wrong that he done. But see, He acted just like everyone else. (The disciples) They were saying "is it I"? It's not uncommon that you might wonder is that you or you have a certain place. He knew it was him! But he acted like everyone else. Isn't it something to know that he concealed his devil nature and his demonism right in with Christ and his own people, the body of those children, for years. That they didn't even know who the devil was right there in the midst? But you don't ...continued on page 4

have to, this was written and God chose a devil to show you something. He let that devil have the money bag. Oh yes, Do you know what good purpose that was? See what the devil forgot, well he didn't forget it, what he overlooked, what he didn't want to understand, didn't want to go along with; that money was the Lords. But it says, he wanted what was in the money bag. He begin to act like, you know, that's his. And it was over the very thing, when the Lord, had someone love him so much to put it on the Lord. He couldn't stand that! And in the one place said the disciples asked. And so I believe they wondered in their own selves, well that's all wasteful, why the waste of that? You know that perfume smell and all will be gone in a little while. Why, we could of fed the poor. Well here's a man who taught them to love and taught them to take care of the poor. But see, they're seeing the waste, why all for him, why is all of this poured on Him. And it says, from that time, Judas rose up and he went with it in his heart, where and how he could turn Christ over to be slain. He wasn't getting enough money.

I've had people that had that Job. One time, I knew one that had that job and they took it so personal, that that was their bank account, you would've thought it was their bank account. Oh yeah, I know. They confronted me, they were made treasurer of a certain area and they confronted me about having an opportunity, (this has been years and years ago) to go to Jerusalem. And they said, "Well how many hundreds have you ever give the Lord? How many fifties? I believe you ought to put it in this treasury." I mean they can get so excited about their job that they forget that money is ministry money and they act like it's theirs. And they want to see it grow and they hate to see a dime come out of it. Testimony For Jesus

God keeps His Covenant of Love

Years ago the Lord had in our beloved Pastor's heart to build a parabolic building for God. Since then, being inspired by Faith to put our hand to the plow to fulfill their desire, we have not looked back but forged ahead. Though; not without challenges and great opposition. But once again through the Word of Christ and His Shepherd (Pastor JoVah) to the church body, "all pulling together would be the success of our unity in Christ." This is true for us and to God be the glory for the things he has done!

In July we were faced with halting in building plans due to truss issues. After being turned down by several manufacturers we were back to square one to find an architect and an engineer. After a serious meeting with core team we were encouraged by the Lord to trust him and reassured when Isays presented a plaque that read " I've got this-God".

That Sunday we bound together as a church in prayer trusting in God to make the difference. The next day Leroy found a truss company that could do the job; but a decision had to be made quickly. Later that evening at the Lord's land, Isays came to tell us, "Come see the rainbow. The perfectly arched rainbow stretched vividly across the heavens and covered the sanctuary; reassuring and reminding us, God keeps His covenant of Love.

On Wednesday we were posed with a risk of hiring the new truss company before getting certain documents. The Lord gave Doris to have John go quickly and take care of that.. Meanwhile prayer warriors were praying for God to break the power of the enemy (as set in through Jesus and our Pastor).

Shortly after prayer hour the documents were approved and submitted. The truss company was given a green light, trusses were delivered July 30th, arriving earlier than said. We believe God when he says, "I've got this" we just need to trust as he does.

4 Love is patient,
love is kind. It
does not envy, it
does not boast, it
is not proud. 5 It is
not rude, it is not
self-seeking, it is
not easily angered, it keeps no
record of wrongs.
6 Love does not
delight in evil but
rejoices with the
truth. 7 It always
protects, always
trusts, always
hopes, always
perseveres.
8 Love never fails.
