DEEP Places

From Pastor JoVah's Teachings - Proverbs 19

The word is *(Proverbs 19:15) Slothfulness casteth into a deep sleep. And an idle soul shall suffer hunger.* We've had the studies concerning the Deep, and the passages from the Lord's writings, concerning the Deep places of God. And if you recall, God told us to consider The Deep as a treasure chest in the Book of Psalms. And He told us of the many things that was in there that came out of that treasure chest. Deep things. Deep places. The Deep truths. Then when we started in Proverbs, the Lord spoke and said, 'This is like a secret compartment in the treasure chest.' It's just like you could push that button. And the lid opened up from the inside, and there's a secret compartment. And what do we find in that secret compartment, which is in Proverbs? God did this so beautifully for us. He said, 'It's a compartment of Wisdom.' And in Proverbs it started out concerning Wisdom. And it said, *(Proverb 8:24) When there was no depth.'* That wisdom was there. How many understand? *When there was no depth.* So, when we talk of Deep things, there is a depth involved. But now, the compartment is opened up on the teachings of the Deep. Where Wisdom was there, before depth. So, what do we see? We see a place where there is no end. We see a place so Deep. That no, we can't know that. Only God knows that. Because He was there before, a depth. Before the depth came. So, these are the Deep deeps. You know, God had a Tabernacle. And He had a Holy place and Holy of Holies. So, God can have a Deep place in the Deep; of the Deep. God has the Heaven of Heavens. Paul said, 'he had been taken to the 3rd Heaven.' In the beginning we learned about this Heaven. We learned that Jesus created heavens and earth. *(Genesis1:6-8) The firmament was called heaven. And it separated. And He said, let it divide.* And that there was above is Heaven. The firmament's called Heaven. We see Heavens. And so, people say, 'Well, I only saw *(Genesis 1:1) He created heaven and earth.*'

But there's heavens. Because the firmament that He made was a Heaven.
So, we, in the studies concerning God, realize that we have to come into His ways. We have to come to His thoughts. Carnal, natural mind, not gifted by the power of the Holy Spirit; cannot come into spiritual realities. It is just that way. You have to have the Spirit of God to teach you about God. It's so simple and easy to understand. Because He made your body with a heart. If you take the heart out of your body; everything else can be there. You can look the same. I mean your physical appearance, everything's there. But without that heart, you can't function. And that's the way with scripture. To get into the heart of scriptures. They can have all these writings. They can have the book carried; it looks the same. But if you don't have the Holy Spirit, you don't have the heart of the matter. You can't get down into the heart of it. You can't learn the pulsating truths. You can't learn about the flow of the Holy Spirit and the salvation plan. You can't learn, about the feelings and emotions of God. Unless you have the Holy Spirit, to get into the heart of scripture.

So, we thank God that He made a way. You know a man He delights himself in man. And people may say, 'well, are we like a toy to God?' No, we're a delight. We are a pleasure. He made us a particular treasure. Remember when He said, 'we're a peculiar treasure.' He treasures us. I think when you look at babies or little, tiny ones. They're a peculiar treasure. There, you have a feeling toward them. That is not the same when you meet a person, eye to eye level, as a grown up. And so, that little baby is a treasure. It's different. And that's the way God made man. Man on earth to him, is a different, a peculiar treasure. Different than the fowls of the air and the beasts of the field. And the Great Sea creatures. And the little, tiny minnows. And the little sparrows, there's all kind of sizes.

But man, it's a peculiar, it's a difference to God. Because God created us in His image. And you know, the baby is in the image. You take you look upon the baby. Is that image of mankind. It has not grown to man yet or woman. But it, it's the image of that's what it is. You're seeing in that little baby the image of man. And we're a peculiar treasure to God's heart. And He wants us to understand Him. And you remember in the Deep places, there was like a mire place. You know, it's like a man digging for a well. And he keeps digging and digging and he hits everything but the water, it seems. He hits concrete or he hits hard flint. He hits the things in the ground. And it looks like no water. Anything can be down in there. Maybe sand, grit, whatever. And he says, 'I'm not hitting water.' But he has to keep drilling. Some give up and say, 'there is no water here' and they leave. You may be thinking about how man drills for oil. And that's good for you to think about that. Because the Holy Spirit is personified by Oil. And how a man drills and drills and drills for oil. And it seems like he's sometime never going to get or hit oil. Well, that's like this mire, in the place that we learned of. Remember, there was Mire down there. And man said, *(Psalm 69:2) 'I'm sinking in this mire.'* He hit a place in his life that was just mire, drawing him down and he had no control. We see this person just crying out. Saying 'I can't control it.' It was like a quicksand Mire. And the soul was just being sucked under by it. And yet the soul knew it was destruction and cried to God. And then what did we find in that Deep place of Vine? Now, how can a vine be growing way down there? Where there's so much mire and things to suck out a man's life or pull him down under until he's destroyed. How'd this vine get growing down there? Because it was like that one that kept going. Kept going, kept going, deeper and deeper. He went into the heart of the earth. And here we find Jesus is there. And He's deeper than any problem you have. He's deeper than any power that's pulling you under and destroying you as a person. Destroying you, destroying anything you might have; that you want to accomplish as an honorable, Holy Christian, as a person. That can hold their head up. No matter what man accuses you of. That you are what God has made you to be. There is help for you. There is a Vine that's down there. There's a Vine in those Deep places of your life where you would wonder, how can it be there? Because there's so much of this other. I see nothing but the mire and the destructive forces. I see nothing but a law of the flesh. I see nothing of this Beautiful, Holy, Pure life. But just keep looking deeper. Because there is a Vine. Jesus said, *(John 15:5) I am The Vine and you're the branches.* That mire of life is not you. And that mire of life that's pulling on you, is not God. And it is not Jesus. That is the mire of death. And God sent His only Son. Sent that portion of him into mankind. That we could find something in these very Deep places, full of sin and degradation. That we have hope. You have hope in Christ.

If you're hoping in other things, you will be disillusioned. If your hope is in man or your hope is in anything other than God; anything other than Christ who, loved us, died for us. And most of all, loved the Father Spirit. And humbled himself as man to obey the spirit. Lived the life to teach you and me how to live. You know, when the scripture tells us He humbled himself. When He found himself fashioned as sinful man. Christ humbled himself before God. This is good for us to realize that when we come to realize what we are. We get humble before God. And God will humble you. You know, if you fall upon the Rock. If you fall upon the Rock and feel the Beauty, and the sturdiness and the Holiness and the Greatness of God. When you fall upon that Rock, you will be broken. Because you will see that you're not that holy. You're not that great. You're not that beautiful. You don't have all purity. And when you fall upon Him, you feel that from the Rock He is. You won't look around at men and women as beautiful and Holy. If you try to, then you will be disillusioned. You will be crushed if God has to continue to tell you man in himself is not this Rock. Jesus is The Rock. We learned so much in the Deep places of God. We learned the truth. You know, God tells you that *(John 8:32) the truth will set you free.*

Do you realize that's a very thing that satan doesn't want you to have? How many of you realize satan wants you to lie? Lie all the time. Go ahead, tell lie, tell a lie. You might say, 'Well, I don't hear him say, quote go ahead and Tell a lie.' No but it will be there. It'll come there. He'll poke it there. You'll have it. He wants you to use it. It's like, catch the ball. Oh, it's now throw it. Throw that lie out. And if you do that. You see, you'll never be free. Because this Word is truth. And it said, *'the truth sets you free.'* Now, satan don't want you to believe that; satan wants you to believe that a lie helps you. A lie hurts you, separates you from God, because it is sin. And right now, it brands you and puts your name in a place in hell. Did you know that? Because it said *(Revelation 21:8) 'All liars shall have their part in the lake of fire.'* So, it's just like taking your name and stamping it in that portion of hell; satan knows this. But he don't want you to know. He wants you to believe you're getting out of things, when you're really getting deeper and sinking in that mire. Thank God for the Vine. How could anything so beautiful, so green, so lovely, come up through that mire and live? Come up through the dry ground and live? Such a tender plant, because it is of God. And so, we learned of these treasures. And we felt so good because we had such a treasure. And we felt now, we have it, we understand it. We know it, we have it. We have to live with understanding and trust in this Vine. We have it. But then we went and Proverbs, boom. There's that secret compartment. And showed us that we haven't even begun to know the depths of God. Because here was one that was there before there was any Deep.

And so now, He brings us there. And said, well, now, what's He going to show us now? He's going to show us places that no one else could reveal, these places to us. And even life. Even life, living these places. They will not understand it the ones who live it. So, let's see what it is. In *(Proverbs) 19:15.*, I believe. We went through that. We have a little preview. Shall I say. Or review I should say, Proverbs *8:28.* That started out in Proverbs about the Deep, told all about Wisdom. Maybe if you just go with me right now; and let's all turn to 8 and see. The first verse says, *(Proverbs 8:1) Doesn't Wisdom cry and understanding put forth her voice?* Isn't there a place in this world that we hear. And understand there is wisdom and understanding.

We hear a voice. And then the Key verse there that brings us into the deep, when we go to *(Proverbs) 8:28.* But see first, may I say, if you just scan through those verses. You'll see in *(Proverbs 8) :23. I was set up from everlasting from the beginning or ever the Earth was.* You know, people say, 'how can God our Father, we can't understand, He was always in existence.' But yet, look at, look how God made the family. And you think of the earthly parent. Do you know when He was born? Were you there? You know, God asked Job. Were you there when these things happen? See, He's the Father. He was there. But let me ask you. You are children. Were you there when you were when your father was being born? Now, I'm talking in the natural, about a natural process. But do, you have any proof of his birth other than his existence in your life, now? But I mean, do you know when he was born? Were you there when he was born? No, you weren't there when he was born. But you believe that he is. We weren't there in God's eternity. Before He created us and made us. But we know He's here. So, you see, God made us that we can realize. He said, the only way a man could realize if they had some way; maybe to take a picture of when that natural parent was being born. But how many do that? See, you don't have a picture of it. You don't have anything. But you know, you believe he was born. So, isn't it easy to understand that Our Father had existence before anything else? And before we came around? Of course He was already there. He was and is and shall be. And of course, in the higher level of God, He was without beginning or end. And as far as we're concerned, we absolutely know that. Because we weren't there when, to see in the beginning. And then if He wants to bring you right down and adopt you into him; then He has to have a beginning and end, doesn't. Because you can say, well, I had the beginning. I was born and God said, all right, I'll adopt you into me. But first I, got to have all that plan. So, that you and I is alike.

Now, if that isn't Love. What is it? That God will give us to be created in his image. With a beginning and an end, as far as mortality. Now, He you've heard the song, He didn't have to do it, but He did. But, why? Because He loved us. A lot of people doesn't have to take a trip. But maybe one of their children said, 'oh, I'd just love to go somewhere.' And He says, you would? Well, I don't have to take that trip overseas. But come on, we're all going. So, you see, He did it because He knew, we was going to take the trip. And so, He's going to take the trip. And He traveled into the world of humanity. Because that's where we are. So that's so. Alright, so we find this Wisdom was way before anything. Even before the Deep before the depth. And then it tells us in *(Proverbs 8:28) when he established the clouds above.* And we noticed that God still, when we look down in there. And we say Lord, there's no end to this. But what are you still having? He reaches up. And He says, *(Proverbs 8:28) heaven, the clouds above, when he strengthened the fountains of the deep.* So, now we see He brings up the Deep. Not that there's a bottom there. But He is showing us now, a place that even comes further. He brings it up and He brings it up to us. There's still a connection. So, I know heaven is not just so easy to say, Well, What is Heaven? Well, you go up there and there's the street of gold and a throne. I know there's way deeper things than that in Heaven. A lot deeper things. I know, because they're connected. And I'm seeing a lot deeper things here. I'm seeing an existence before the Deep was.

But the first thing He shows us is that it still has a connection, when He talks. With the clouds above and the fountains of the Deep. And we find that He did a work there in the Deep place. Even though He had to reach up to do it. When it was down in the heart of the earth. How many understand? Because He went deeper than that. So, He retched up. I said, He retched up from the Deep place. And retched down from the High place. So, here He is, working with his hands. See God's hands are so much greater than our hands. And you know, He's working way down there in the Deep. Here's the Deep. Here's his hands here, strengthening that Deep. And He's way up here with the clouds and everything. His, the outstretched of his arms is Great. *(Proverbs 8:28) When he established the clouds above, when he strengthened the fountains of the deep.* Now, we go on. And we'll say, 'well, Lord, we're finding your existence is so Great, so Magnificent.' The highs and lows and, and it can't even be calibrated; or collaborate… It can't be measured. So, then we go to *(Proverbs) 18:4.* Let's move on. If you will with me. And let's turn right on over here to *18 and verse 4.* The Door for us is about the words of a man's mouth. And you know that is the Door. One of the Doors of the body. *(Proverbs 18:4) The words of a man's mouth are as deep waters, and the wellspring of wisdom as a flowing brook.* They go together.

Well, I'm much encouraged here. Because I want a flowing brook of Deep waters. I want it. And, up here in the very first verse it says, *(Proverbs 18:1) Through desire a man, having separated himself, seeketh and intermeddleth with all wisdom.* And God brought me that intermeddle. There is a medal, you know, that everyone can have a medal. There's the bronze, silver, gold, medals. Olympic winners. But what does it take? *(Proverbs 18:1) Through desire a man, having separated himself.*

You know, John had the most gorgeous, beautiful heavenly reality shown to him when he was exiled from others. And so, he didn't have man. He was in exile. On an island. He didn't have a lot of people around him and a lot of recreations and all. But God gave him double, triple or 100-fold more togetherness. Because he didn't have a lot of company of man. He had more of God. God made up all that difference. And showed him magnificent things. Carried him in the spirit unto Heaven. Talked to him, walked with him. Showed him the greatness of Christ then. What Christ meant to God. God's Revelation to Jesus. Jesus shared with the Angel to him. And told him go ahead and share it to the churches. But he was separated. He was separated. He was separated. Sanctification is a word that's in Salvation. That means set apart from the world. You're set aside for a certain thing.

I know, even in cooking there's a lot of things that are sanctified. Set aside for a certain time or a certain place. We understand that there's things set aside for a certain purpose. But listen, it said, *(Proverbs 18:1) Through desire a man, having separated himself, seeketh and Intermeddleth with all wisdom.* Say, this is the one that will, seek and seek and seek God. Seek Wisdom. *Intermeddleth with all wisdom.* Anything that's wise, anything that's Deep. Anything that needs to be sought out, searched out. The mind exercised in Deep things.

How wonderfully fitting and beautiful Christ is to let us know here. If you want to go into the depth to see the one that comes up and helps, the Deep places. Then, separate yourself unto me. Seek Wisdom. Wisdom is not a loop that you can never find Wisdom. God wants us to have Wisdom. God wants us to be wise people. God comes for His Bride. Come on, The Bridegroom comes for the Wise.
How many hear me? He comes for the wise. He isn't coming for the foolish. He isn't coming for the ones that don't have enough Spirit. Come on, He's coming for the ones that have plenty of Spirit. Plenty of Light, to see these things. That is His Bride. And the others said, 'well, I don't see , I didn't have that much. I don't see that. I've got to get some more oil.' So, well go buy it.

But we can't; we can't give away what we have. There is certain personal portions that God has given us. Come on, God has given us certain light. That portion, and there's more in the vessel. You've got to take light; oil in the vessel. The oil stands for God, for the Spirit. We've got to be full. And we got to have a supply and a surplus. So, isn't it wonderful that God says, you can have it. You really want it.
But you know God is wise. A man that really wants something. Will seek it. Will search it. You know. How did our dear Christ teach us about the Kingdom of God? How a man went and did, how he found this treasure. And then he went and sold everything he had. He hid that treasure. He didn't go and say, here's the treasure, everyone. And the thieves come and the robbers and all. Said he hid it. But he was thrilled. He had a treasure. It was a hidden treasure, but He had it. It was his. He went and sold everything he had. Nothing was valuable to him anymore. Nothing was needed anymore. He didn't have to have anything anymore. But that treasure. You've got to want that treasure of God. You, you dig for it. You say nothing else matters. And God said, *(Proverbs 18:4) The words of a man's mouth are as deep waters, and the wellspring of wisdom as a flowing brook.*

THE KING

By: Pastor JoVah

What do you think of a King
with a grandeur of a crown
Golden, Bright and Glistening
And servants to him bow.
Commanding, giving orders
or your head will surely roll.
The kingdom in His power
is the Glory of Hs soul
The scepter in Hs hand
is the symbol of his rule
The voice of His command
has power and authority as Hs tool.
Yet I'm here to say to you
I know a King and know Him well
And Hs robes are regal surely
and His life a message to tell
His crown was one of thorns.
His hands were truly with pain
Because of the nails in his palms
Jesus is His Name
And His joy in having a kingdom
is not for personal fame
But to have, create and sanctify,
to turn it over
Into the hands of His Father again.
The King in Hs Kingdom,
so wise and so true, is the same
Serving Messiah that died for me and you!
So Hail to the King of Glory
Forever let us sing to the One who
Brought us truly the message of
The King

WHAT DO YOU MEAN TO ME

I stand in Your presence
With washed feet communion in hand
Trying to tell You what You are to Me
I want to tell You from My heart
But I can't think of where to start
I wanna tell You that You're My Healer
But that don't sound profound enough
I wanna say You're My Protector
That You are my Director
It's almost time to put this cup back
it's close to the end
And I haven't thought of a thing
So what are You to me God
And that's when You answered,
"Just call Me Your Friend"
