"One Was Carried, One Was Buried"

One Was Carried, One was Buried (#140 Sonship Radio)
Originally Ministered On the **Journey For Christ** Television Program
as Ministered by the Holy Ghost in and thru Christ and His Pastor
(Jesus blessed Pastor to read from KJV)
Message begins after the Choir Sings "Our God Reigns."

How true our God reigns, He reigns supreme. Praise the Lord! Another time for Journey for Christ. That's what we all want, that's what we're all doing right now, is taking a journey for our Lord. We're going into the word tonight, in His way, by His will through His Spirit and so if you want to get the scriptures, why it's beautiful to follow right along. I know how many of you already have the scriptures in your heart and that's where we should carry them. The scripture tonight is going to be in Luke16, we're going to start in the verse 19. The message tonight has a key verse message of 22 and the verse there states, *22 And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: the rich man also died, and was buried;* We find in this verse; one was carried, one was buried. You know it makes a great difference when our God reigns in our heart. When God is in the heart of man then the things that causes the man to go astray has to leave. But you and I need Jesus, we need Jesus in our heart, we need Jesus in our life. We need Jesus in the night time and day time. We need Jesus continuously. Jesus is not one that you can go to, pray to and then walk away from. Jesus said: *"Lo and Behold I am with you always, even unto the end of the world or the age."* And truly we need Him. We need Him every moment. You need Him not only in crises, but you need Him when everything is going wonderfully. And truly this man needed the Lord.

I want you to listen tonight of the story about one was carried and one was buried. *19 "There was a certain rich man," said the Lord, " which was clothed in purple and fine linen and fared sumptuously every day:"* It means he had everything he wanted. My, how he lived so sumptuously, how he lived lavishly. How he was dressed in the great garments that some might call gay garments. He had that purple garment and of fine linen.

20 And there was a certain beggar named Lazarus, which was laid at his gate, full of sores, so we find while one was covered so beautifully with a purple garment of the time we find one was covered with sores, something of humiliation, something of a beggarly nature, to be laid at the gate. You know to be laid at the gate of this rich man, Jesus takes me to some scenes even today where you might see that they lived way back after you enter the gate you have to drive sometime miles to get to the estate, but there's a gateway, you and I have a gateway. And even in the scriptures to be at the gate meant there was a judgment time. And here was a time that this rich man could do something for someone, not only someone but many. But you know God looks at one, you know we have Jesus. You don't have five hundred messiahs; you don't have a million messiahs. We have one Lord, we have one Master, we have one Baptism, we have one Faith and it is Jesus Christ our Lord. And we find that that is sufficient and God made it sufficient and now we know what will happen through one man that was laid at the gate of this rich man. There was one man that was a beggar. It doesn't tell us here that there were ten beggars or they were trying to push in through the gate, it says one beggar. But I want you to know tonight how you treat one lamb, how you treat one man, how you treat one person and Jesus said how you treat the least of my little ones, He said that's how you'd treat me. So God knew how this rich man, how he would treat this one man, would be how he would treat all the poor and all the beggars of society. And here he was laid at his gate. You know we have a time of visitation and we have a time when God sets things in front of us of what we're going to do. What did this rich man do? Well it tells us that the poor man that was clothed and full of sores, he was desiring to be fed with the crumbs which fell from the rich man's table. Moreover the dogs came and licked his sores. In other words he wasn't seemingly asking for much, just the crumbs from the table.

Testimonies for Jesus!

In January I had a vascular test done on my arm, The results showed my stent had failed but the arm was still producing enough blood flow. The doctor said the capillaries in my arm were growing. Dr Wu described the growth in my arm as tree branches that keep growing and expanding. The growth has probably been there for years. Upon leaving I turned to Dr. Wu with my finger pointed in the air and said "all glory to the Lord." Dr. Wu smiled and nodded. I am thankful to Jesus and His Love and the great physician that he is and continues to be for me.

Overseer Dorrece

Praise the Lord. I want to thank the Lord for healing my legs at the last foot washing and communion services in January. I have been struggling with a condition, restless leg syndrome and was on medication in order to stop the pain and irritation. Unfortunately that medication was also causing some other major issues and I had asked the Lord to heal me because I did not want to take that specific medication as it was affecting me. All glory to the Father, because of his healing power I have stopped taking that medication and no longer suffer from that condition in my legs, He is so good to us and I thank him for doing such an amazing and quick work, I also thank Jesus for New beginnings as we look to continue growing in him

God bless you. Carlina

You know there was a woman at one time that came to Jesus, Jesus told her is it fitting to take the food from the children and feed the dogs with it? And she said, "But Master even the dogs can get those crumbs that fall from the master's table." He remarked about her faith. You see this woman went with Jesus. A lot of people today won't go with Jesus. When Jesus says something through ministry or through testimonies or it might even be through a dream or a vision that people don't want to hear it. They don't want to come to it because it makes them look lesser. And they say, "No, my God wouldn't talk to me that way, that must be something else." But I want you to know that it takes Jesus to set our foot paths straight. It takes Jesus, He is the light, it is the word that is a lamp to our feet. It takes the Lord, Hallelujah! It takes God Almighty because you don't know the way without God and I don't know the way without God but with God we have the way, for Jesus is the way and there is no other way. And we have the voice of the Almighty God in our soul and He tells us the way. And the way is to love one another and be good to those that even are bad to you. We are supposed to pray for those that persecute us. We are supposed to help the needy and realize that that's no more than what we ought to do. Jesus is the way and because that woman came to the Lord's Word, she put herself right there under the Word. Praise God for people who will come under the Word because the Word is God; In the beginning was the Word and the Word was God. The Word was with God and the Word was God, the same was in the beginning with God. And when Jesus said this Word to the woman, she didn't say to Him, "Well you've offended me through this message, you have called me a dog. And she said no, I won't have that," if she would have said that. There are many that would say that but she did not say that. She said, "Lord even the dogs," did you hear she came to where Jesus was, when He referred to her as a dog, and she got that message she went right under the Word. I tell you tonight it takes more people to go right under the Word whether it puts you in a high and mighty place or not as long as Jesus puts us there then we ought to go there. Jesus said, *"My sheep hear my voice."* I know that there's some saying I've heard it, " I wouldn't be a sheep," but I want to tell you if God puts you in a sheepfold then you ought to know to be a sheep because how are you going to have the good shepherd if you won't even be a sheep or a lamb of God? Whatever God wants us to be, praise His precious name, that's what I want to be. I want to be what God wants me to be and I know this woman went to a very lowly place but she went under the Word.

We see there's some dogs in this passage, but I might add first that woman got what she came to the Lord for. And if more would go under the Word even if it seems hard on you, if you just go under the Word because it's a sweet Lord, Amen, He remarks about this woman, that Amen her faith, faith is that substance of the thing hoped for, the evidence isn't there. She went in faith, she stayed in faith, she didn't have to have all candy coated, colorful message of all nice things. But Amen, it seemed like Jesus wasn't even going to talk to her for a while, but my when He did talk to her it didn't seem like a beautiful message to her but Amen she was still stuck in there with God because she knew He was the Master and that's where her daughter would get the healing, get rid of the evil devil. She got what she came for because she went under the Word.

We find this man came to have some crumbs but this wasn't that Jesus, this was the rich man. And it said, *21 moreover the dogs came and licked his sores.* I praise the Lord! You know they say there's healing in the dog's saliva and when he licks the wound, there's healing. And I think how God made the animals, praise the name of Jesus and how Amen, there's healing, He had some healing ointment for that man. Oh I know some will say, "That don't sound like healing ointment to me," but I tell you when the soul is facing bitter things, Amen, that any little thing seems sweet. And when those sores were burning and they were hurting, even that dog that come and lick those sores, seems sweet to a man that really needed mercy on his soul.

22 And it came to pass, that the beggar died, and was carried by the angels into Abraham's bosom: I want you to think about that right now, one was carried, and the rich man he also died, and was buried; you know it is not the will of God that we be buried, but it's the will of God we be carried. And though I know that the natural physical body, how many times it goes under the ground, I mean in society, we see many, and in the tombs or mausoleums or whatever, but I know that as the great Apostle and brother Paul said, he told us that, "To be absent from the body was to be present with his Lord." And I have nothing different in my soul at this time, but that Amen, when I leave the physical body or it be changed in a moment in a twinkling of an eye; however God wants to do it in His time, whatever time it might be, I praise the Lord, because I know that I'll be carried into the bosom area of Jesus Christ.

And in hell, it says, this one that was buried, 23 and in hell he lift up his eyes, being in torments, and seeth Abraham afar off and Lazarus in his bosom. You know it isn't the end of us when this life is over. Our God reigns, He arise, He arose from the tomb. He rises in the heart. Peter said let the Daystar in the heart arise. Praise the Almighty God! He tells us all that we've got to have that Christ in our heart shine forth. You know, I praise the Lord He tells the women now don't be shocked with amazement He said, let that man of the inner man of you come on out. I praise the Lord that God made us one in Him. Amen, we are one body in Jesus Christ where there is neither male nor female, nor Jew or Gentile; we're all born of the same spirit. Amen! And the body of Christ is one and it is that Spirit that makes us one. I have no different endeavor than every Christian brother and sister than to please God, my Father and that makes us one. Our fellowship is with Christ. Our fellowship is with God the Father and the Lord Jesus Christ and that is scripture and that is truth. And I praise God for brother John knew it and God had brother John write it and some day by the grace of the Almighty God we'll be sitting in the glory land place and preeminently we shall worship Jesus. Oh but I'm going to see the others there.

I'm going to see Paul there, I'm going to see Peter there and John there and all those that chose the ways of righteousness but I'm not going to see this rich man there. I'm not going see this rich man there. He's in hell and he lifted up his eyes and he was in torment but he saw Lazarus was doing sumptuously. Lazarus was clothed beautifully cause he had the garments of the Holy Father wrapped around him. He was in the bosom of Abraham. *24 "And he cried," this man cried, " and said, Father Abraham, have mercy on me,"* you know I see this man was at a gate. Judgment time is there. And I know his body is hurting and oh he needs something now from the Master's table. He said, " and send Lazarus; *oh that he might dip or that he may dip the tip of his finger in water, and cool my tongue, for I am tormented in this flame.* I tell you he was in a terrible, terrible place. This man was suffering just as the beggar had suffered and laid at his gate. Here now, it was just reversed. *25 But Abraham said, Son,* you know this always impressed me in scripture because you see, he didn't say, "Why you dog or you sinner, or look what you did, you're dirty and vile and you deserve to be in hell." It always impressed me, how the rich man when he looked up, he said Father, Father Abraham and how he said, Son. See everyone says, "Oh God loves us all", and you know He does. But that doesn't mean that God is going to let you do wrong and enter heaven anyway. I pray tonight that you realize our God reigns and He has a judgment in His hands because He's the Word of God. And I want you to know He is the Word, He is God, He is the Word. I want you to realize something; that you can't do wrong and do your brothers and sisters wrong and even those who are poor and beggarly, laid at your gate. How can you sometimes say well, " I, I took care of somebody over there in Africa I sent some money." And that's great. That's a good, great thing. Go ahead cause you should help. But how about somebody that's laying at your gate or next door? Do you really think in any little way and I want you to judge because then you don't have to come in judgment.

Have you seen someone right in your own neighborhood that no you figure you've done your share and you don't have to, feed them or give them some help. Someone is going to be laying at your gate and here it is: this one was tormented *25 "But Abraham said, Son, remember that thou in thy lifetime receivedst thy good things, and likewise Lazarus evil things: but now he is comforted, and thou art tormented."*

You know I know it is not happiness for God to look and to see those who have not changed their ways and those who would not heed Him and do what He would have them do. And I know He loves them but you see that didn't save them because they wouldn't do the right thing. Yes our God reigns. Our God reigns supreme and He is judge, but listen tonight, it pays to have the Lord. He said, *26 "And beside all this, between us and you there is a great gulf fixed: so that they which would pass from hence to you cannot; neither can they pass to us that would come from thence."* This man, he said he wanted somebody to go tell his brothers, tell others that there was such torment after death. But he said if they wouldn't believe the scriptures, come on we have the Word and One has Arisen, he said they wouldn't believe even if one came from the grave which means and tells us even if Christ appears, cause He's one come from the tomb, said they're not going to believe. If they don't believe the Word, if you don't believe the Word and I don't believe the Word then we don't have any hope because it is the Word of God that gives us hope. It is the Word of God that gives us life; it is the Word of God that gives us to know Jesus.

<u>One was carried</u>, <u>one was buried.</u> I thank God that we can face the Lord in the time for us to go home. That Amen, that we can look forward to be carried however God wills on the wings of the angels, Spirit of the Holy One. In the arms of Jesus Christ but we will be with our Lord. God bless you children, God bless you all each and every one. We look to see you again and remember <u>we want to be carried.</u> And you remember this; God does love you, Amen. God bless you, each and every one.
