And such importance. All messages are. But; some are so God-given and God demanded. And it will help the soul so much to grasp the truth that is being ministered for your eternal life. That's how I feel definitely about the message God has given. For an example: Paul said, at one time, concerning his life in God And concerning the message that he carried; That everything else that he had learned in his life, as a prominent man; very stern and strict in Jewish laws of religion. That he said, he counted it all dung, to receive sonship. He said, there was a time due in his life, for the Son of God to be made manifest. Meaning, being made plain. That he was born of the higher Spirit.

And so, everything he has learned concerning living to the concept of man's morals. And to the law, thou shalt not kill. Thou shalt not commit adultery. Honor thy father and mother. All the commandments, to love the Lord thy God with all thy heart, mind and soul. All of these commandments that he lived so, religiously sought after. He said, even more than the fathers, which he termed those in genealogy that was before him, that had studied. The Pharisees were very strict. And got right down to minute things; How far you could walk on Sunday, what you couldn't do.

There was even recorded that some, to fulfill, not to look at a woman would wear blinders. That when they walked, they would not look at a woman. Which tells us, they couldn't control inside. They tried to live it by doing everything they could on the outside. And Paul was very stern and strict. And very looked up to for his life. But; he said, when the Son of God, erupted thru his life, birthed inside of him, as a house, as a house to dwell in. He said, all of that was lost. He died to all of it. It was nothing but dung. All the moral life, all the prestige among the Jews. When the Sonship came into his life, they wanted to kill him. Can you understand that? For what did they do to Jesus? Crucify him.

And so, when that spirit enters the human soul; You see, it doesn't come with observation. That someone says, oh, I know why they changed. I just saw a Kingdom come down and go inside of them. Jesus said, you won't see it. But you'll know it's there. You'll hear the sound. You'll know. And that sound that emanates when the Holy Spirit enters a soul, is a difference in their entire life. And the sound is one of always, bringing in Christ. Because, Christ was brought into them. And the Holy Spirit of God, which is Christ in our life, has to come through. You can't muzzle them to be quiet.

Continue Page 2 & 3

But the fruit of the Spirit is
against such things there is no law.
Galatians 5:22-23

They told Jesus, don't you know when you talk you, you offend these people? Don't you know you're offending the lawyers, your speech? Jesus said, well, woe to you lawyers. So, people can feel offended. But; that doesn't mean that the child of God will shut up. Now, *if they don't accept the ministry in the city*. It said, *shake the dust*, which is the dirt. The Earthly ways that they walk in. *Shake it from your feet as you leave*. Don't you take that walk in your life. You leave the earthly walk where it is. But; don't you leave and let any of it hang on you.

What does that mean when you say the New Principle of Life? A Principle of Life, what Paul said, when Christ came into his life. Paul said, he didn't know what covet was. Until he was told by God. Paul was living something there. But; he didn't know the name. And Paul didn't want to covet. But; he said, he didn't really understand even what it was. Until God told him, that's covet. A person can say, I want this, and I want that. And maybe they have enough. And they don't, they don't understand that's greed. And they say, well, I don't want to be greedy. But that is greed.

And it helped Paul to know, to put the word on the actions. To put the word upon the feelings. To put the word upon what emotion that is. Angry. Love, Joy, Peace, Goodness, Long-suffering, Meekness, Kindness, Temperance. These are called fruits. There's a New Principle of Life; that God brought to this world through Jesus Christ. A man has a principle of life. If he's a truck driver, he has a principle of life. What he does, how he does it. When he does it. A mechanic, a housewife they have a principle of their life. What they do. How they do it. When they do it. Even why they do it. There's a whole principle of life.

Many places where you say, I just don't see that. You can know, Jesus preached it. And you can believe Jesus, is God's Son. And you can say, I, yes, I believe he was the long-awaited Messiah for the world's salvation. But; I just don't see that. I believe all that. I believe it's Bible. But; don't tell me turn my cheek when a man hits me. Because; I don't see that. Don't tell me I should be happy when I'm poor. I just don't see that. That's all different.

Well, it's called the New Principle of Life. You have to understand how, endearing and important it is for you to bear fruit. When we talk about you bearing fruit, we don't ask you to become a tree. We don't ask you to come up outside. I'm really not being ridiculous. I'm trying to impress you with something, but there is something required of you. The fruit you bear is told in the scriptures. The fruit is your emotional qualities, that comes from the inner soul of you as the person you are, and that will be the fruit. Jesus said, you will know my disciples, which means: follower. You're going to know my followers by the fruit they bear. You're going to see a peculiar people and understand within yourself or with others, the true fruit bearers; bearing Christ's life, that comes through their soul into the world. When you receive, whatever you can receive from them, you must understand you're receiving from Jesus; His own nature, His desire for you, for your welfare, His Love and Joy. It's so important for you to understand, you've got to bear fruit. You know a person can't be years and years, 10-20 years a Christian and still have the same old worldly nature, the worldly nature does not bear fruit of a born again, nature.

When, the one came to oversee the garden. He said, this tree is not bearing fruit. And there was an intercessor there, and we do have one in Jesus. That said, just let me try with it. Three years. Just let me dung around it, and really try to work with it. You know, the Spirit of God will strive with man. Said, let me work with it. And then after that length of time. When you come around again, if it isn't bearing fruit, that emotional nature that you expect; then cut it down, cut it away. Well, what does that tell us? That tells us we have a span of time. You know, to develop into the fruitage. And develop until there is fruitage on the limbs. Whenever you reach out, you should have that fruit. You might say, I think I have a lot of fruit. I have love; well, there's a new principle of life concerning love. And when you really get this into your soul, I want to go farther than just the mind. I want it in your heart and knowledge. And really to live and understand it through your soul. Jesus brought the New Principle of Life.

I saw a film, I'd love for every one of you to see, it's called the Miracle of Life, The Lord impressed me to watch it, because he was telling me how the earth was called: the waters was called, She and the light was called, He. The evening and morning was called, He. God was showing me how in the Hebrew language those genders were brought forth, that man doesn't think of it yet. When He talks about Mother Earth and a baby is born in the womb, with all that water, that's where soul life began was in the waters. He impressed me to get this film. I'd seen one and I want to impress upon you.

The life that comes and it shows the life that comes from the male body. And every one of those sperm cells has a life that can become a child. And that's what's in that, from the male's body. There was at one time, it shows about 100,000 of those working and climbing to enter into the place of the woman's womb to become life. Like you hear, crying there. And like you see, sitting here.

God revealed to me at that moment that the communion with God is here, and he said, that's what I meant by, *a few will make it*. Do you know how many out of 100,000 make it? Each one of those is a perspective human being working to get through, and Jesus said, *many strive to enter the gates of life, but they cannot make it*. It showed how they were working to get there, how they were working, and He said, that's what I meant by, *a few will make it*. I begin to see through the eye of God; a 1,000 people, a 100,000, and only one is going to get through; and they have a struggle. Even in the male body is actually a mechanism that fights that life and in the female body is a lining wall that fights that life entering. God said, I let you know through spiritual life the fight it is, to get in there and survive; Praise God, we go through spiritual battles. You don't remember that battle, do you, of the human birth? The man don't realize that battle going on inside of his body to produce life, to give life. The woman doesn't realize that battle inside of her body, that is, barring, it's called a protective system for her, and it is actually barring out that life trying to get through. When, we come into the spiritual life, God opens up about life to us, so think it no strange thing, when there's a battle to get into God, and a battle to get through, and the battle to stay and grow. It's there, if man can only see it, it's all there.

Jesus, when He came through and this is scripture; He says, for I tell you, *that unless your righteousness surpasses*, is greater, it's got to be greater then, *that of the Pharisees*. Now, those are people that followed the word. Those are people that went by the law, that lived and took those commandments. But; He said, you've got to have more than that.

TESTIMONIES & ENCOURAGEMENTS

A Poem by Pastor JoVah

THE KING

There came a Man from up above
Who came to share the gift of Love
He bled and died to set souls free
Jesus Christ, my Savior

Jesus Christ both Lord and King
Son-of-Man of Him we sing
We tell the world He died for thee
That you might live eternally

The Son-of-Man both Bold and Brave
Gave up Glory and chose the grave
He suffered death, shame and hell
That you and I might live so well

This Carpenter, Man of Galilee
Meek and Lowly of Heart was He
He could stand to set men free
By suffering death at Calvary

Now we have Grace and Truth through Him
We can share His Glory free from sin
He died for you He is praying still
That God's Grace saves your soul from hell

Won't you let this Christ come in
He gave up all to free you from sin
Just say yes to His Love so strong
Trust in Christ you won't go wrong

A manger small, a crib of straw
The bed for Him at birth a stall
The Lamb of God was born that day
For the world — to die!
For the world — to Pray!

From Litichia McIntyre via a Facebook post:

Remember on your most challenging day, when we have the Lord, we always have a good day. If you are struggling, let go and let God take those burdens. Praise the Lord not only in the Good time, but also in the your times of struggle. *Psalms 50:14, 15* ¹⁴Let the giving of thanks be your sacrifice to God, and give the Almighty all that you promised ¹⁵Call to me when trouble comes; I will save you, and you will Praise Me."

From Carlina Bennett via a Facebook post:

Today in His message God had Pastor to preach about the many blessings in serving God. Did you know that in Psalm 68, blessed be the Lord, whom daily loads us with benefits? If you go through a day and wonder where or what the benefit of that day is... ask Him, ask Him to open your eyes because His word is true and He cannot lie. It is a time to exercise your faith! just because you can't see the benefits or the blessings in that day, exercise your faith. submitting your faith and spirit to God, saying 'God I know that You said there were benefits in this day. Open my eyes so that I could see clearly' Amen!

THE RESURRECTED LORD

The earth quaked. The stone removed.
The grave could not hold The Savior there.
The Temple was torn, Then rebuilt in three,
Took the keys of death for all eternity.
The Slaughtered Lamb for the sins of the world,
Suffered the cross with pure Love.

A Crown of Thorns,
A Nailed Pierced Hands,
A Wounded Side,
And the grave still had no victory.
So why seek for the living among the dead,
He is not there, the grave has lost its sting,
So there's no need to cry.
God has made a way for life,
And it's through JESUS CHRIST.

He is **THE RESURRECTED LORD**
Who ascended to my FATHER and yours
Who ascended to my God and yours
He is **THE RESURRECTED LORD**

Poem by Ora

A TESTIMONY FOR THE LORD

We thank the Lord for watching over little Debbie. He brought her through surgery safely and we are forever grateful to the Lord Jesus Christ for being our High Priest and Watchman. We are also grateful for our blessed family in Christ for all the prayers cares and support from the church body.
