The One in this world most deeply misjudged, misunderstood and misinterpreted is **GOD** Almighty. This is our **GOD** who sought among the children of men to see if one understood Him. He found no, not even one. He looked to see if He could find just one good man among all the children of men and **GOD** with His, all seeing eye of fire, found no! not one!

GOD, who is Holy, then sent into this one world (earth) a part of His own being, and that portion of our invisible God grew and was formed inside of a virgin girl named Mary chosen by **GOD**, and most blessed among all women.

GOD, our Father, looked upon this small portion of Himself and shared it with us all. That we might see His Own image. That we might behold Him and handle and touch that which could not be seen, handled or touched by the multitudes.

No more was **GOD** given only to the few chosen as Jacob who wrestled with both **GOD** and man or Abraham, who was visited by our Lord, but the multitudes, peasants and kings alike could behold Him who was our **GOD**!

This great gift for us was rejected and despised among men. Only loved and sought after for the benefits bestowed on the flesh of the world. Still after the great visitation of **GOD** Himself, as man and truly becoming man and dwelling in our midst to teach His world of mankind how to live, walk and talk. How to pray and stay in loyalties and faithfulness, still though offered to the entire world only a few were chosen to really see Him as He was. And then they did not see it all at once; but like a curtain lifting slowly before them they saw more and more until they could behold Him face to face.

Jesus is our King and Redeemer. That portion of **GOD** Himself sacrificed, broken off The Great Eternal Body of The Invisible **GOD** Spirit to be formed of woman and to feel, live, suffer, and share the afflictions and tears caused by His own enemy, satan the wicked spirit against **GOD** and **GOD**'s own people.

Truly Father **God** shared one bitter cup and asked those who wanted to be so close to Him if they could share His baptism and the cup prepared for Him by the Great Eternal Spirit, **God** of which He was broken from. The Bread of Heaven was here on earth and we could eat of Him, His own blessed body and taste, seeing that our **God** was and is and shall ever be **GOOD**!

That bitter cup, to be punished for sins not your own making or of your own decision or fault. Not that you asked for the sin of the old man Adam to be a part of your own nature, but borne where it was so, for you and all of mankind! But look, **God** has given another chance, another day, another way, in fact the only way; our new creature Adam, the last Adam that comes first.

He who is with out sin, shame, or blemish, in Him, we have our hope and our being, to live and belong in those called sinless by **GOD** Himself washed clean by His Own **Blood** and His Own **Sacrifice** and His Own **Will** as **GOD** to save when His will as man could not be there, yet He our **GOD** was there and the Great Spirit He was and is ruled over the man bringing salvation for us all. Truly there is no greater **Love** for all man kind than the **Love** of **GOD** Himself for us all. Yet to see this great **Love** and to feel it and walk and talk with it takes some time and a lot of **GOD**'s help with Spirit, Power and Might and His Own precious Word for us to see.

Truly **GOD** Himself is our Holy Messiah, our Father, our Redeemer from the sins of satan and from the fall of man away from **GOD** Himself. It was not our great love for Him that saved us, but His great **Love** for us making that path way of salvation that we might have that walk that leads to Life, Truth and the Tree of Life itself. Yes, He paid the price and the price was truly high.

Now let us regard this treasure of Truth and Knowledge, let us humbly bow before This Great **GOD** who **Loves** us and has put up with our unbelief, doubts, hurts, and our blind eyes. Let us praise Him and His **Sacrifice** for our sakes. That bitter cup, to be punished for sins not your own making or of your own decision or fault. Not that you asked for the sin of the old man Adam to be a part of your own nature, but borne where it was so, for you and all of mankind! But look, **GOD** has given another chance, another day, another way, in fact the only way our new creature Adam; the last Adam that comes first.

"The Fountain of life" - 2-4-73

*Oh come to the Fountain
to taste and see
That God does care for man
Come to the Fountain
of Life and Love
Written in God's Great Plan.
Come to the Fountain
though thirsty and dry
Because of life's many cares
What better time to come to Him
To obtain "Life without Despair"*

HE IS COMING AGAIN

Praise the Lord friend
Allow me to tell you, that Jesus is coming again.
Be watchful, ready and be sure
For He's coming for hearts that are **PURE**
Get out those wrinkles and take out those spots
For He's coming for the Church in your **HEART**
You will know He's here when you see Him walking among the clouds
Listen for the trumpets for they will be loud
The Bridegroom is coming for His wife
Accept His Love so that your name is written in the Book Of Life
Now is the time to live a Holy Spirit filled life
The Harvest grows near so get your **HEART** in order
Don't miss out or else He will say depart
The pit of hell is not where you want to be
That's burning in the lake of fire for all eternity
All you have to do is repent to avoid that fiery river
And you will get to live with Jesus in Heaven forever
Ask Him to forgive you of your sins
Ask Him to come into your heart and be your Friend
He is waiting just for you
But hurry because He is coming soon
Imagine eternity with no sadness not even a tear
Peace, joy happiness and no fear
Imagine feeling so Loved that you can rejoice all day
No heart ache, no pain just Love everyday the same
I pray that you take these words to heed
Cause I want to see you in Heaven right next to me.

"I Can Only Imagine"

Song by Mercy Me

I can only imagine what it will be like
When I walk by Your side
I can only imagine what my eyes will see
When Your face is before me
I can only imagine, yeah
Surrounded by Your glory
What will my heart feel?
Will I dance for You, Jesus
Or in awe of You be still?
Will I stand in Your presence
Or to my knees will I fall?
Will I sing hallelujah?
Will I be able to speak at all?
I can only imagine
I can only imagine
I can only imagine when that day comes
And I find myself standing in the sun/son
I can only imagine when all I will do
Is forever—forever worship You
I can only imagine, yeah
I can only imagine
Surrounded by Your glory
What will my heart feel?
Will I dance for You, Jesus
Or in awe of You be still?
Will I stand in Your presence
Or to my knees will I fall?
Will I sing hallelujah?
Will I be able to speak at all?
I can only imagine, yeah
I can only imagine
I can only imagine
I can only imagine
I can only imagine
When all I will do
Is forever—forever worship You
I can only imagine

TESTIMONIES

"Nothing is impossible. Even the word itself says, 'I'm possible!'"
God has been so good to me. He has never left me, nor let me down.
I love Him, because He first Love me!!

In this new chapter and Journey I've been walking with the Lord, He has been with me every step of the way. I am so grateful for the teachings of the Tabernacle. It has opened my understanding and the realization of His life and His plan from the beginning. I learned that His teachings and precepts were laid out perfectly from Genesis, where He laid out the plans of His creation thru Revelations, where He prepared us for His coming. Every number, color, measurement and object was created by Him, through Him and for Him...latterly, that's not just a quote. He knows the plans He has for us... Although there is an enemy power that tries to distract God's people, Praise God for the foundational teachings of Christ which covered me and has kept my feet planted on that solid rock - JESUS!! I love listening to Journey for Christ throughout the week. It truly sustains me and fortifies my walk in HIM.

God Bless you, Carlina Kirby

HIS BANNER OF LOVE!

I want to thank Jesus my Father and Healer for always watching over me with HIS BANNER OF LOVE.

I became very ill to the point I could hardly move. I had special prayer during foot washing time, and God knew how serious it was, AND He was on the job. I went back and forth to the hospital four times and was sent to different departments, and two doctor appointments; just to send me home to rest and hopefully I would feel better soon.

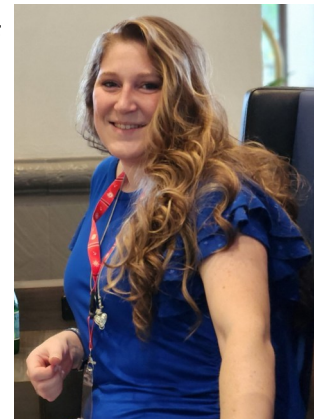

However, my symptoms only became worse even my neck and jaw became stiff to where I couldn't move them, my whole body hurt, rashes appeared, we had to call an ambulance. Many prayers went up immediately on my behalf, one being, "Lord Please send just one person, the right doctor who will listen and help." Finally, after being sent from one department to the next, God sent the one, to take the situation serious. I was then sent to a third hospital where we found out that I had contracted Lyme Disease from a tick. Thank Jesus it was caught right on time before it did any permanent damage. They were concerned that with it spreading to my neck, jaw and head, that it could have crossed over the blood brain barrier and went into my spinal fluid. It could have been life threatening to myself and the baby, involving months of hospital stay and dangerous iv antibiotic treatments for myself and the baby.

The entire time, God had protected the baby, he remained unaffected, and his heart rate and vitals were very strong. I may be sore and exhausted, but it is a miracle that I am even able to write this testimony!

When all the medical profession kept sending me away and didn't take it serious, God knew how serious it was and He was on the job the whole time, directing our steps and sending us to where we could get the help we needed. He even sent me a comforting familiar smile during my hospital stay. My nurse who took care of me was actually my friend from fifth grade who was not raised to know Jesus but shared her story of how she and her family came to know Jesus. We were able to have wonderful fellowship in the Lord as we exchanged stories of how the Lord led us both to where we are today and how He has always seen us through.

I may not know what tomorrow may hold but I'm grateful to know how to take it one day at a time with my Jesus, because of the teachings of Christ through our beloved Pastor Jo Vah and what has been passed down to me through my Grandma and Darlene and His overseers and the Ministry of Christ that is still going on for Him and Jesus so sweetly showed me a vision of Him running through my veins and that I had the teachings running through my veins. I couldn't ask for a better Healer and Watchman on the wall than my Heavenly Father!

Brittany Naranjo

I thank Him for His sacrifice on the cross for His never ending Love that comforts me in the loud and quiet moments. I feel that He has me in a time or waiting and in this time I have sought Him more. The early mornings when I can't sleep, I find myself thanking Him for this

beautiful life; my children, my husband, my loved ones, friends and the list goes on. He has given me so much. I thank Him for hearing all my outspoken and inner prayers and even though I am in this time of waiting time, I will never loose hope.

I've had this one prayer for the past few years now but He reminds me to never stop thanking Him for the other prayers He has answered. He's teaching me patience, compassion, and learning to lean on Him completely. So far you reading, to never loose hope, just because your prayer hasn't been answered yet, doesn't mean He isn't listening.

What is He teaching you through your time of waiting? There was 2 days of waiting in the tomb but guess what on the third day He arose. There was a waiting time for Jericho's walls but guess what they came down! He told us the we would go through things in this life but that He would be with us even until the end of the age.

So thank you Lord for being with us in our time of waiting.

WHO AM I

1 I turned water into wine, I died for your sins, and I am coming again.

2 I was healed of leprosy by dipping myself in the Jordan River seven times.

3 As a prophet, I was travelling, when a gang of teenagers started harassing me calling me bald head.

4 I circumcised my son with a flint knife to save my husband because God was going to kill him.

5 I used 300 foxes to torch my enemies grain and olive orchards.

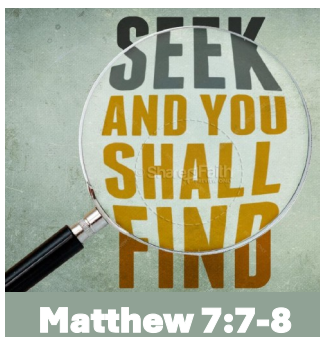

6 He listen to my advice and did every thing I said and this changed his leadership style

7 Because of me, many people started to put their faith in Jesus, so they plotted to kill me.

8 I was compelled to carry His cross on the way to His crucifixion.

9 By fulfilling God's promise, I had a baby at 90 years old.

10 I watched from a distance as my brother floated down the river.

1. Justified by faith (v. 1) We have a right standing with God because we have been declared righteous before Him. This is a legal verdict, and it includes: pardon from the guilt and penalty of sin; imputation of our sin to Christ's account; our sins no longer counted against us; Christ's righteousness credited to our account; and God declaring us "righteous," solely on the merits of Christ's righteousness.

2. Peace with God (v. 1) We are no longer God's enemy. "God has declared Himself to be at war with every human being because of man's sinful rebellion against Him and His laws. But the first great result of justification is that the sinner's war with God is ended forever." (John McArthur)

3. Access to the Father (v. 2) The access that was unthinkable in the Old Testament is now made possible through Jesus Christ.

4. Stand before God in grace (v. 2) In God's saving grace, we enjoy a permanent, secure position. We also have sanctifying grace, sustaining grace, enabling grace, and suffering grace. Our position is not based in our own performance, but in God's.

5. Hope of the glory of God (v. 2) "Hope" does not speak of uncertainty, but of something that is certain, but not yet realized. Our ultimate destiny is to share in the glory of God.

6. Suffering and tribulation (v. 3) Trials are the "pressure" that, like a "juicer," produces the sweet "juice" of perseverance, endurance, character, and hope. This gift comes especially as a result of our relationship with Christ or because we choose to do right.

7. Love of God (v. 5) is lavished on us, overflowing in us. Understanding His great love for us will result in overflowing love for Him.

8. The precious Holy Spirit (v. 5) He lives in us: "God has given us the Spirit as a deposit, guaranteeing what is to come" ([2 Cor. 5:5](#)). The Holy Spirit convicts of sin, comforts us, makes Christ known to us, teaches us the truth, and guides us.

9. Saved from God's wrath (v. 9) Christ bore the full fury of God's wrath against us and our sin.

10. Reconciled to God (vv. 10-11) Formerly separated and alienated from God, we are now brought to a state of right relationship with Him.
