THE ELECT LADY 2nd JOHN

Ministered by Jesus and the Sweet Holy Spirit in Pastor Jo Vah on 1/6/79

Program #692 on Sonship Radio Ministry

In this letter we find that John, the beloved, disciple, a follower of God, knew so much about Truth. He states because that Truth lives in us and will be with us forever. Now here John mentions the Truth is so important. He says that God the Father and from Jesus Christ, the Father's Son that this grace, mercy and peace will be with us in Truth and Love. Now Jesus said, "I am the way", and He also said He was, " The Truth", and He was, " The life", which is light of men, the life of men. So this woman is a Chosen or Elect woman from God, calls her in the NIV, "The Chosen Lady" and her children whom I Love in the Truth. So these children were the ones that were in the Truth. Not I only, but also all who know the Truth, so they were Beloved. And it is a letter from John that he terms himself as the Elder. So it is one that has a position and it is definitely noted by the introduction of 1st John authorship and date that this is a letter from John the Beloved. Truth is so important to John through all of his writings, Truth, and of course the Holy Ghost or Holy Spirit, is also called Comforter, and Spirit of Truth. So when one has such a dynamic powerful checking for Truth, Truth all the time, we can understand there is that Spirit working in them and we can know those fruits and we can thank God for those fruits because they are children who will not lie. They're there to tell the Truth and we thank God for that because it isn't in ones who are not born again or coming unto God. And the young ones we find they will tell a lie and they will be convicted and tell the truth. So the young are very, very, young they have to really learn from God who enters their life and begets them and they have to yield up their soul to God, to the Truth, to the Spirit that they're born of. It's the Spirit of Truth. It is noted there is controversy among men whether this was a letter to someone, some, one woman, who was a chosen woman, or that the church itself was called a woman. That it was a local church addressed as a Chosen Lady. . I definitely believe it was by the Lord, a woman who had overseen cause she had been a chosen woman, elected from God to be one to have children in the truth and that John accepts that and knows the work of God and regards her. It says a strict interpretation of text supports an individual person as the addressee, and yet it has the flavor of being to a community. John makes a statement whom I love in the truth and not that it was only him, but everyone who knew the truth, loved her. So we understand that has to be a spiritual realization and they say that's what makes them think it was a church rather than any individual and yet it does not really confirm that. But we understand through the Spirit that we're all born of one Spirit which is Truth and everyone that would know her, all who know the truth, would Love her, because we would all be born of the same Spirit. We find also in John's writings he's very much one to write concerning the love of God. We find that Love and Truth relates, will be with us forever. The Truth that John talks of is this Truth that is greater than the world, what they consider a truth. This Truth is without end! It seems that in the world all the truth they know dies with them. In other words it's all dead, the brain cells die, the memories die, and all the truth that person carried is over and dead.

It seems that in the world all the truth they know dies with them. In other words it's all dead, the brain cells die, the memories die, and all the truth that person carried is over and dead. But with God, it is not so. Truth goes on, their life goes on, and all they carried of Truth goes on. This Love and Truth that John writes to the Elect or Chosen Lady, he said, "… I am not writing you a new command but one we have had from the beginning. I ask that we love one another. And this is love: that we walk in obedience to His commands." Now Jesus said, " If you love me you will obey me." And that was the proof of Love; here it said, "It's not a new commandment that we love one another. This is Love that we walk in obedience to His commands. As you have heard from the beginning, His command is that you walk in love. (2John) I can see where Love and Truth was the very thing that caused people to have their life taken from them or caused them to lay their life down for the Lord. For one was there Love for Jesus, they had to deny Him and they wouldn't do it not even to save their own life. And that the Love they was begotten of in the Spirit of Truth they were begotten of, that they couldn't lie about things that would get them out of their problems or troubles seemingly, they would not lie about it. Then so they were slaughtered, crucified, they were killed because they were born of that Spirit of Love and Truth. Love did not enter this world to hurt; Love gave and asked nothing in return except to Love enough to be obedient. That is a show of Love, children that mind their parents show they Love their parents. Children that are rebellious and disobedient are revealing their Love for their parent is not there. That is very sad because obedience has a show of love. In this word to the Chosen Lady it seems that there had been some trouble. But that he had rejoiced that some of the children remained true to the faith that had been delivered to them. That they were walking in Truth or truthfully, meaning authentically. We're to believe, we are commanded, the requirements that from the Father, is that the commandment of Love as belief in the Son, which Jesus said, "If you love me you will do what I say, you will obey me." And this is His command and to believe in the name of His Son, Jesus Christ and to Love one another as He commanded us. So the believing comes when you Love one, you'll do what they say, you'll have an obedience to them. You will be in belief and Love and care and will do what they say. To Love one another, as He commanded us, and to believe in the name of His son Jesus Christ, many carry the name and do not believe in it. The believing in the name of the Son Jesus Christ means that He saved us from our sin. That He actually is the Savior and that we do not have sin. Many do not believe that. They believe that He, because He shed His blood we'll go to heaven but we still will sin. So they cannot be believing in His name which means Savior of His people from sin. It would be a terrible thing to think that we still sin and have sin and will commit sin and yet the only thing that saves us is that God had to pay that price, sacrificing His son but our lives aren't changed or different or maybe we become more moral or rejoicing because we're saved, but still committing the deeds of evil. That is not scripture. It said that sin will separate us from God, does not bring us to God or just cause forgiveness, that it will separate us from God. And the message that Jesus brought and the reason for Christ, His death was reconciliation to God because there had been sin in our life which separated us from God. When Jesus died on that cross all that sin was washed away completely, then we were reconciled to God. Then we were counted not guilty of sin, then we could come from the tomb as an innocent lamb. Then we come from the dead where we were dead in transgressions and sin, and now we no longer have that because of Jesus paying the price. And God said alright He would look upon Him as the guilty party, the guilty person and therefore all the guilt he paid for that and now we have no guilt of sin, we have no sin. And so many people carry the name of Jesus Christ does not believe in the work of Jesus Christ in their life. They believe they're saved because He died, slaughtered, crucified and just beat and all those things, that saved us. Well it did not just save, it saved us from our sin and they are rejoicing they were saved because He died. But that is not, that is not a clear picture of what it's all about. He saved us, He paid the price for our sin and saved us from our sin that we might be in contact and communion with God and not be cast out of the Kingdom and not cast out of Paradise, that we can live forever without sin! Without evil, good and evil is still the Death Tree. People say they do good but they do evil too, they sin too. Then they are still eating of the tree, they deceive their own heart. The love of God was made so plain through Christ, a visible Son and a visible man to give all of us who are man that God wants upon the earth and that God meant that upon the earth, came through Christ Jesus, one in God's own image. Now what is that image that God would give up His life for the Love that He holds for us? Now what life could God give up as a human that would show, reveal us, to give up our own life. It would be the way He done it. He sent His son to us, that of His own flesh, that His own life that could die.

the Love that He holds for us? Now what life could God give up as a human that would show, reveal us to give up our own life. It would be the way He done it. He sent His son to us, that of His own flesh, that His own life that could die. He created, molded shaped Him and brought Him forth, made of woman as we are, formed and made of the woman and it reveals to us that we're also of bone. And it said not a bone of His was to be broken. He was goanna have children of His own bone and flesh that come from God. He said, "Behold I and the children that the Lord gave me." It is just exactly except it's in a spiritual, beautiful way, it has nothing to do with the natural bodies, other than the natural body, one of a human could come from that Love. satan has the reverse, a horrible sin of it, trying to produce and he cannot produce children, homosexuals cannot produce children. God will not let satan take His work, God's own work and come through unperverted and beautiful like Him. satan is stopped, satan cannot do the work of God. Nowhere can he do it, it will be a perverted, bad, twisted nature thing and so we find then because Christ is the son of God and son of man and received children from God on earth though He never had a marriage nor was He receiving children in the natural. He received spiritual children from the Spirit God, God is Spirit. And He was a spiritual man and He received His seed, His children from God in a spiritual way and it was a holy way, a beautiful way and a just way. To realize then that the love that God sent upon the earth to reveal to man His love for man and that He wants man to reconciled to Him and to know Him. Also He demands that we love one another, He said this is how you'll tell the ones that are from me or of me, they will love one another. Now this is a supreme testing, we find that when Christ went to the cross, He said come I show the world I love the Father. And when he prayed upon the cross for them the Father showed the world how much the son loved them and so there was a love that was flowing there. Not only for God which is preeminent from the Son of God but for man which is preeminent from the Son of man. And so this is the way we are to love one another even unto death for one another. That we would die in their place even when they were wrong, for even He died in our place. Even though we were guilty still He loved us enough to pay the price. He did not die ten, twenty, thirty times over and over but He did die once and that was sufficient. We shouldn't have to pay for another's sins over and over and over. But when we suffer and we still love them and we suffer and it does something to our soul, to kill us, to hurt us and yet we love them, that is the love of God, when we still embrace them, truthfully with our heart. That is not overlooking sin, does not mean it has not wounded us, hurt us, bruised us, even killed, we know that God does not die and yet He showed us that we can kill Him out of our life. Maybe the love and the trust and the hope can be killed out of our life by what someone does unrighteously, but yet we can still love them. That goes beyond demanding all the good things a person could do and do unto us and be unto us. But then we never really loved them because they have done things not good, not true not loyal, and that sin of theirs fell upon us to hurt us, and bruise us, to wound us and to kill us and yet we love them. It does not say to were put to the cross hundreds of times, once severely is enough and that should show the love of Christ. People that have that Love shed upon them should know that that Love comes from God and they should repent of their way seeing that and living for God themselves through the Holy Spirit that brings such a Love, when we can truthfully say that we Love someone even when they're not good to us. Even when they have broken every bit of trust and broken every bit of relationship of hope and of goodness, that we still Love them, even though they have done that, then that is Love, it is not overlooking their sin because we suffer because of it. It is not because we think they're right, we know they're wrong, it's that the love for them is still there, it has not diminished through the grief and through the heartache and heartbreak, still there is a love for them, when they really know that, it's something to really think about. That is the Love that we are to have here upon this earth, that is the Love that we are to exhibit, that is the Love that truly comes from us that man cannot comprehend that Love. A man will be good and loving toward another who does not let them down or does not do anything bad to them or does not do anything to cause them to suffer. But when there's a reason of suffering and shame, and degradation, humiliation and that love is still there, then that is God's love and it cannot help but be seen. So the time of Jesus was the time of Truth and Love. Prophecy fulfilled God's Truth on earth walking in the flesh, more than walking in it, His Truth was made flesh and so when you see how He was formed and molded and what His bone structure really was of and the Truth and the standards of the Holy Ghost to stand firm in this land and we look upon it and know it. Can we really say that we love one another? We love God, can we really say we love God no matter what He asks of us? Jesus said, " Behold I show the world I love the Father." Even when He asked Him to go to a criminal's death. Even when He asked Him, to be separated from Him, though God His Father was His whole life. Even though He asked Him to do these things, by His own will, Christ did them because He loved the Father. But that the Father would have Him to walk in flames, go to hell, die on the cross, be crucified. He loved the Father to obey Him even to that death.

Happy 44th Hallowed In Jesus!

Jesus gave Pastor Jo Vah a Holy way for the Full Gospel Sons to celebrate Halloween. For the past 43 yrs. these children have been taught to be pioneers for Christ. When they go door to door, Jesus gave Pastor Jo Vah to teach the children ..."It is more blessed to give than to receive (Acts 20:35 KJV)." The children are dressed as angels and biblical characters. They have been taught by "Jesus" in and through Pastor Jo Vah to keep the costumes biblical.

When the children go out door to door they have been taught to give instead of beg, to show love instead of threatening people with mean tricks.

They also take with them a gospel message to hand out as they travel door to door for Christ. Jesus gave Pastor Jo Vah to say," The world is becoming aware that going out begging for candy door to door on a night for devils to come out has proved dangerous."

The Children of the Full Gospel Sons Church of God have been little Missionaries for Christ in your area for the past 44 years.

Jesus gave Pastor Jo Vah to say, It's just another testimony that God is always ahead and has made them leaders in the Church World; though a small church group yet they praise a mighty God. God has been way ahead and the thanks goes to Him for teaching us back in 1978 it was a No No.
God has not given us the spirit of fear; but of power and of Love, and of a sound mind. (2 Tim. 1:7)
Then the little missionaries are given a big party after they have went out for the Lord. There are games, candy and lots of fun for them all!!

Lev. 7:12

If he offer it for a thanksgiving , then he shall offer with the sacrifice of thanksgiving unleavened cakes mingled with oil, and unleavened wafers anointed with oil, and cakes mingled with oil, of fine flour, fried.

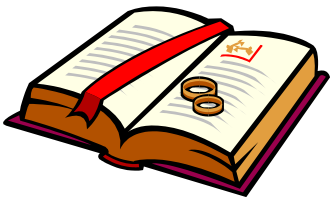

Rev. 7:12

Saying Amen:

Blessing, and glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God for ever and ever. Amen

Let us remember the message that God had Pastor preach on Thanksgiving unto the Lord.

The first place in Scripture and the last place in Scripture is stated above as the Lord had her to preach and we know there is no coincidence in God for 7/12/91 was the time Christ took her unto Himself!

We love God, can we really say we love God no matter what He asks of us? Jesus said, " Behold I show the world I love the Father." Even when He asked Him to go to a criminal's death. Even when He asked Him, to be separated from Him, though God His Father was His whole life. Even though He asked Him to do these things, by His own will, Christ did them because He loved the Father. But that the Father would have Him to walk in flames, go to hell, die on the cross, be crucified. He loved the Father to obey Him even to that death. To be called a blasphemer, to be called all the things that He knew He hated. To take all of the things that He hated upon Himself, and die and to give up His life of righteousness, and goodness, and one totally in the Father and the Father in Him. That's Love, the love for His Father. It's easy to understand when Father wants to get you and ice cream cone and an extra dip of ice cream and a chocolate bar but when He asks you to suffer, it is not as easy, it is not as palatable. But when we will say, "Yes Lord," and go because it is our God that's asked us and we trust in Him and we love Him, and we will suffer for Him even unto death, then there is a love for fellowman. He was not just showing the world that He loved the Father which He did, the Father showed the world He loved man, which He did. That He had a lamb of sacrifice that would go to the slaughter to save man, to reconcile man to His Father. That the Father be blessed and so they also be blessed. He proved to us that there was one who loved us that much, the Father give us that, give us that Love, in that package, in that person, in that present, presenting unto us that love that comes only from above. But that love was made flesh and walked in our midst, the world didn't recognize it. The world and the children of God are quick to know evil in motivations. Evil in things but not love, they're not that quick to recognize love. That's why they didn't know what they were doing and Jesus prayed for them. Jesus was not cursing men from the cross, but praying for them and helping them and loving them. In His pain, in His agony, in His hurts unto Himself, and all that was coming upon Him, He still exhibited love. The scripture teaches us, to what God gave John to tell us that if we hate our brother we are not in the light, we're not walking in God's Spirit and that we cannot say we are of God. Hating one's brother is death. It causes us to be the Cain; it would cause us to be the Cain of the evil one and not the Able of the Righteous One. Which of brotherhood are we? The Cain or the Able? Jesus was able to fulfill. We pray, I know I pray that we are the ones able to do that. To love past the norm of love as the world knows it, exhibiting that we are His people, Amen.

Now the next heading, paragraph. The Heading is: A warning! Here God give John to relate to us, but there were many deceivers even then. They did not acknowledge that Jesus Christ was one who had come in the flesh from God and that these had gone out into the world. John says any such person is the deceiver and the antichrist and that we are to watch out that we don't lose what we have worked for but that we may be rewarded fully. Now John teaches this and it's a big teaching from God. Anyone, it doesn't matter what big name or who it is, it's says anyone, who runs ahead and does not continue in the teaching of Christ does not have God. Whoever continues in the teaching and this is the teaching of Jesus, has both the Father and the Son, but if anyone comes to you and does not bring this teaching, it is a teaching of truth and love that He has given us, John has given us. He said we're not to take them into your house or welcome them. Anyone who welcomes such a person in their house, shares in his wicked work. How many well known names that are blessed that should never have been blessed by the person? Blessed means happy, made happy, to see how welcome they are being made and they shouldn't even be let enter the house because their teachings are not the teachings of Jesus Christ! They've run ahead and done their own things and left, left the teachings of Christ. We're not even to welcome them in our house. These that had went out from the believers were the ones that were unwilling to acknowledge that Jesus Christ is come in the flesh. They turn their back on the Messiah. No one should ever use that scripture for one that leaves a certain assembly or leaves them like that in their fleshly way of offering worship. Would leave them to do a work that the Lord calls them to do, they should not do that. It seems that there is a something to look into in the scripture here that whether it meant past or present future, it seems that it could mean just Jesus Christ coming in the flesh. Also that He is to come again. Any such disbelief, any such person who does not believe these things has turned their back on Christ and His teaching. There is some controversy in scriptures of whether the reading is watch out that you do not lose what we have worked for or watch out that you do not lose what you have worked for. It seems that many scholars tend to say it is what we have worked for; Watch out that you do not lose what we have worked for. But I realize too at this time Jesus' bringing me, when Jesus said what is our labor bringing forth, in other words there is that spoken of in the bible. We labor to know God, that is a work, a searching,, a work, and there are hurts.

Testimonies for Jesus

Praise the Lord for the birth and well-being of our son, Milo Kurtis Vingle. The Lord made a way for me to have a fairly quick progression of labor the night before my due date. The Lord was my anchor through every contraction and push. Worship music was continuously playing as we waited for the Lord to bring our son earthside.

After 2.5 hours of pushing, Milo was born. Not too long after his cord was cut, Milo was taken away due to audible issues with his breathing. After many assessments, they took him to the NICU where he was determined to have pneumothorax and needed to be incubated, have a CPAP machine attached, and an IV inserted.

During this time, he has many prayer warriors praying for his health and recovery. After 12 hours on the CPAP machine, he was able to breathe easily on his own with safe oxygen levels. Quickly after, he was able to feed properly and no longer needed the incubator or IV. After 24 hours in the NICU, he was able to join us in our room with close observation from nurses. After 48 hours, his third x-ray showed his pneumothorax was practically resolved and he was cleared to go home with us.

We are so thankful that the Lord protected our son and was the great healer Milo needed to be healthy. Praise God for His healing work.

Tawni Vingle

I thank the Lord for everything He has done for me. He pulled me out of such a terrible darkness and a horrible wicked path I was on. He saved me from self destruction and the destruction of my relationship with Ray. I can not thank Him enough and give Him praise daily. He is such a great God and I am so thankful to truly know Him.

He has taken things and people out of my life that were not holy and replaced them with servitude/obedience to Him along with wonderful Christ filled people. I know my worth now in Jesus and I will choose him everyday, all day. I can say that I truly have eyes to see and ears to hear.

I love to share my testimony with people and shine the Christ light in this dark world. Thank you Jesus for dying for my sins! I will live the rest of my life honoring your name and giving you all the glory you deserve...forever and ever!

I recently gave my heart to the Lord but I've always been a believer. I finally made the commitment and it's the best thing I ever did. I've had seven strokes and a heart attack and my sister called that a mini stroke. I'm very blessed to be alive, and grateful to God almighty. I am a walking, talking, testimony even though I'm not walking as good as I used to, LOL.

I walk with a cane now but by the grace of God I am still alive. So yes, I am a walking, talking testimony of the work Jesus has done for me. I gave my heart to the Lord the beginning of March and the Lord delivered me from cigarettes April 6th. So that's almost 6 months without a cigarette, all glory to God, the sweet name, Jesus. But God bless everybody.

I am happy to share my testimony with whoever wants to hear it, the work that Jesus has done for me. I smoked for 45 years, and I thought I would never be able to give it up, but by the grace of God the Lord delivered me from the smoking demon. God bless you all.

Dwayne

But I realize too at this time Jesus' bringing me, when Jesus said what is our labor bringing forth, in other words there is that spoken of in the bible. We labor to know God, that is a work, a searching, a work and there are hurts, even laboring to know God. We may think we know Him and have Him and then we realize, no that isn't the thoughts and the ways of God. But then we also have labor and labor pains and pangs in bringing forth children for God. In Paul's writings in Galatians, he said, (4:11) I fear for you, that somehow I have wasted my efforts on you. (4: 19) My dear children, for whom I am again in the pains of childbirth until Christ is formed in you. So the newborns are not rooted and grounded in the love of God yet and in one scripture it said: They are swayed with wind and they are likened unto unbelievers. Now that that one has to feel growing inside of them, the pains of that disposition, the pains of that that we feel or with those who have not yet having Christ formed in them. They are to be a Christian to have Christ formed in them but not yet is that formation in them. And I can see this is true, we must go by line upon line for Jesus said when he left the body, in other words Christ wouldn't be with them, it would not be Christ there. They would suffer as that woman in child bearing, but when Christ appeared then their joy would be no man take from them. So when the children do not have the life of Christ running through them they do not yet have the forming of Christ in them. They bring pain and there's pain to those who are set as overseers of them, to help them. It is pain bringing them to that Christ formation to come through them. It is pain. But once they are truly of the life of Christ, once they truly show Christ in their life and you can see Christ coming through them, then the labor pain is over and you have joy in those children. You have joy because you see Christ and you know that Christ is in them and joy is there. No one can take that from you but there is a child bearing pain that those that are chosen out by God to bring seed to Him, they do have pain, and they do have that time of sorrow on them until the children themselves have Christ formed in them and hold the standards.

In Remembrance of Jesus & His Love!

God Remembers the Birthday Time of November 19th that Jesus had Pastor Jo Vah to share with Him! Pastor said, when she was here in body, that the greatest gift that we could give them, was for them to see Christ in our lives! Where are you at today? Is Christ being seen in your life? Is the Father looking at you and seeing Jesus?

Did you yoke on to the Life of Christ that He give Pastor to live for Him?

What is the present that they are receiving in the Spirit from you?
