"Come to me, all you who are weary and burdened, and I will give you rest. Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls. For my yoke is easy and my burden is light."

God!

The One in this world most deeply Misjudged, Misunderstood and Misinterpreted is God Almighty. This is our God who sought among the children of men to see if one understood Him. He found no, not even one. He looked to see if He could find just one good man among all the children of men and God with His, all seeing eye of fire. Found No! not one!

God who is Holy, then sent into this one world (earth) a part of His own being, and that portion of our invisible God grew and was formed inside of a virgin girl named Mary chosen by God, and most blessed among all women.

Then God, our Father, looked upon this small portion of Himself and shared it with us all. That we might see His own image. That we might behold Him and handle and touch that which could not be seen, handled or touched by the multitudes.

No more was God given only to the few chosen as Jacob who wrestled with both God and man or Abraham, who was visited by our Lord, but the multitudes, peasants and Kings alike could behold him who was our God!

This great gift for us was rejected and despised among men. Only loved and sought after for the benefits bestowed on the flesh of the world.

Still after the great visitation of God Himself, as man and truly becoming man and dwelling in our midst to teach His world of mankind how to live and walk and talk. How to pray and stay in loyalties and faithfulness, still though offered to the entire world only a few were chosen to really see Him as He was.

And then they did not see it all at once; but like a curtain lifting slowly before them they saw more and more until they could behold Him face to face.

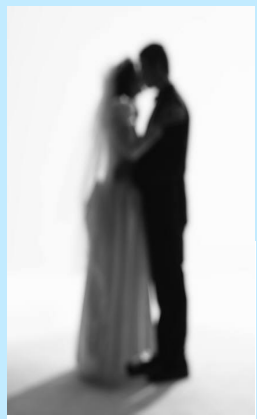

Jesus is our King and Redeemer. That portion of God Himself sacrificed—Broken off—The Great Eternal Body of the invisible God Spirit to be formed of woman and to feel, live, suffer, and share the afflictions and tears caused by His own enemy satan the wicked spirit against God and God's own people.

Truly Father God shared one bitter cup and asked those who wanted to be so close to Him if they could share His baptism and the cup prepared for Him by the Great Eternal Spirit, God of which He was broken from.

The Bread of Heaven was here on earth and we could eat of Him, His own blessed body and taste, seeing that our God was and is and shall ever be GOOD!

ANNOUNCEMENTS

Are you in the Brideship of Christ?

Wedding Rock Day!

Wedding Rock Day

June 11th is The Wedding Rock Day that was shared between Jesus Christ and Pastor Jo Vah many years ago, starting in, I believe 1983!

I will attempt to share this to the best ability that God allows me.

In the midst of digging on the Pataskala land at the Pastoral area, The Lord had Pastor

Jo Vah to tell Debra and John to go out and dig so far over and so far down.

Lo and behold they dug and found a huge Rock Mass. The Lord had told Pastor to get her work clothes on and she did and went out and she did as the Lord had her to do and she stood on the rock and as she stood there she felt

Jesus come upon her bodily and Jesus told her that she had always been a winner!

As she stood there He opened up to her the meaning of what Jesus meant when He said," Upon this Rock I shall build my church !" That Rock was not the man Peter but that Rock was what The Father would reveal to His people about the Christ and Jesus said , "...and upon this **rock** I will **build** my **church**; and the gates of hell shall not prevail against it."

How blessed we were to have been under shepherding here where the teachings of Christ were opened up to Pastor

Jo Vah and He had her to share them with us!

Page of Encouragements in the Lord!

This year is the 31st year since Jesus took Pastor Jo Vah home to be with Him! He told her in a dream as she was working with the curtains at the Love Building, "I love you more everyday, how about you? " Jesus then lifted her down from the chair and took her to himself. The Lord let her know that He was going to be taking her unto Himself and He did! He also let her know that the Church body would be the loser and we are! For no one ever loved us the way Jesus and His Pastor Loved us! Pastor Jo Vah always let it be known that she knew it was the Father's Love in her heart that she felt for the people and He took her along with Him and expressed such great love for His people! We have surely tasted of His word in deep degrees; as He opened it up to His Pastor. What manner of Love has the Father bestowed upon us that even now we are called the sons of God! We have tasted of the Father's Love in and thru a human heart! Some people search thru a life time and never know of His great and mighty Love, but we here at the Full Gospel Sons, Church of God know about God's Love as we have been saturated in His Love...It should be of no wonder to any of us here why He called her Love, as that was quite evident!

Jeremiah 3 :14-18

14 "Return, faithless people," declares the LORD, "for I am your husband. I will choose you—one from a town and two from a clan—and bring you to Zion. 15 Then I will give you shepherds after my own heart, who will lead you with knowledge and understanding. 16 In those days, when your numbers have increased greatly in the land," declares the LORD, "men will no longer say, 'The ark of the covenant of the LORD.' It will never enter their minds or be remembered; it will not be missed, nor will another one be made. 17 At that time they will call Jerusalem The Throne of the LORD, and all nations will gather in Jerusalem to honor the name of the LORD. No longer will they follow the stubbornness of their evil hearts. 18 In those days the house of Judah will join the house of Israel, and together they will come from a northern land to the land I gave your forefathers as an inheritance.

Oh how beautiful is the heart of God!

Testimonies for Jesus!

I would like to thank the Great Physician for healing me once again.
His arm is not too short for me when I call. Psalm 46 it states, though the earth giveaway and the mountains fall into the depth of the sea, I will help her and that right early.

The teaching on Revelation has been so enlightening and encouraging me to be prepared for my Lord to return.

I would like to thank Jesus for drawing on souls to come to Christ and to be a part of the body of Christ here. I see the body of Christ blooming and the ministry of Christ being glorified. It is such a joy, as Paul states in the word of God, we wait in expectation for the children of God to come forth as in the pains of child bearing. Jesus said, "if I be lifted up, I will draw all men unto me." Let us lift JESUS up and keep our eyes on the prize.

Dorrece

As a child I was from a very poor family. My parents didn't go to church and never once told any of us ten children that they loved us. So not growing up with love, and spiritual support it's hard to understand that the Lord loved us. I did go to church on a church bus as a child. Then we moved and it was several years before I went back to Sunday school. I went with a girl friend that I met that lived down the street. I was thirteen when we went to the altar to accept Christ. But I have been in and out of church services throughout my life for various reasons.

More often than not when I was faced with problems such as the death of a child, two failed marriages and many serious health problems including cancer. I tried to get through all these challenges in my own strength.

But, now as I look back in hindsight, I can see I didn't go through it in my own strength. Jesus was there beside me making a way in providing all I ever needed. I've always loved him but did not quite realize just how much he loved me.

Linda Van Dyke

I want to give glory and praise to the Lord for all that he has done for me and continues to do for me. He is Faithful and True.

Also last year at this time my friend Lisa's daughter had been going through so many physical ailments. She was hospitalized so many times and each and every time the Lord answered prayer for her and brought her through. Just a few weeks ago the Lord had me to ask for prayer for her again. I wasn't sure if she would come through this last event because she has been sick for so long and in and out of the hospitals. I am grateful to the Lord that again he made a way for her and did a healing work for her. She called me and I was so thankful to the Lord that she was sounding and feeling so much better within a few days. She knows that Jesus loves her, and she thanks him that he does love her and he does help her to go on in Him.

Continued from Page 1:

That bitter cup, to be punished for sins not your own making or of your own decision or fault. Not that you asked for the sin of the old man Adam to be a part of your own nature, but borne where it was so, for you and all of mankind!

But look, God has given another chance, another day, another way. In fact the only way—our new creature Adam The last Adam that comes first.

He who is with out sin, shame, or blemish. In Him, we have our hope and our being, to live and belong in those called sinless by God Himself washed clean by His own blood and His own sacrifice and His own will as God to save when His will as man could not be there, yet He our God was there and the Great Spirit He was and is ruled over the man bringing salvation for us all.

Truly there is no greater love for all man kind than the love of God Himself for us all.

Yet to see this great love and to feel it and walk and talk with it takes some time and a lot of Gods help with Spirit, Power and might and His own precious word for us to see.

Truly God Himself is our Holy Messiah, our Father, our Redeemer from the sins of satan and from the fall of man away from God Himself.

It was not our great love for Him that saved us. But His great love for us making that path way of salvation that we might have that walk that leads to Life, Truth and the Tree of Life itself. Yes, He paid the price and the price was truly high.

Now let us regard this treasure of Truth and knowledge. Let us humbly bow before this great God who loves us and has put up with our unbelief, doubts, hurts, and our blind eyes. Let us praise Him and His sacrifice for our sakes. That bitter cup, to be punished for sins not your own making or of your own decision or fault. Not that you asked for the sin of the old man Adam to be a part of your own nature, but borne where it was so, for you and all of mankind!

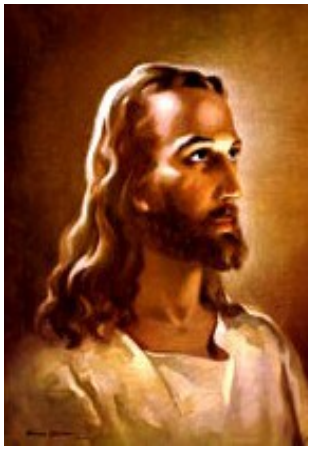

But look, God has given another chance, another day, another way. In fact the only way—our new creature Adam The last Adam that comes first.

He who is with out sin, shame, or blemish. In Him, we have our hope and our being, to live and belong in those called sinless by God Himself washed clean by His own blood and His own sacrifice and His own will as God to save when His will as man could not be there, yet He our God was there and the Great Spirit He was and is ruled over the man bringing salvation for us all.

Truly there is no greater love for all man kind than the love of God Himself for us all.
