Days of Creation

From Pastor JoVah's Teachings - Genesis ONE

We thank the Lord to be with you so wonderful to realize how wonderful God really is. And especially to realize that before anything was, there was the Lord. Now before anything was, there was the Lord. Before the moon or stars or sun above, there was the Lord with His undying love. Before the mountains, the valleys, the oasis green, the Lord was there before man was seen. Before earth, before light, before darkness was. God was there, with undying love. Before flower or bud. Before the desert sand God was there, in Himself a lamb. And all things beautiful portray His face, when you see them through the eyes of grace. Remember God always was. And easy it is to see God just was and always was and always He shall be. Never without the Lord was anything, that ever was made.

Even the grass had its maker, down to the smallest blade. So, if there be a man without God, the Bible states it well. For the fool has said in his heart there is no God. That man is a fool. Creation tells the wind, the rain, the outer space. The outer darkness seen. No man, unless he is a fool can say that God is not real. And truly He is our King, before anything was, there was the Lord. Before the first cry of dawn, God was the one who put it there. And caused it to go on. So, worship the creator. Forever let His praises ring. For He alone is forever. And He is everything. Praise Him because He always was. And because He continues to be. And praise Him most of all, because He freely gives this eternal life to you and me. Amen. Praise Him most of all because He gives this eternal life to you and to me. How great God really is!

This is a beginning series, and we look to be with you many times, you see in the beginning of creation, the beginning of heaven and earth. Jesus said that He is the Alpha and the Omega, Amen. We thank the Lord. You know the most important thing in our life is Jesus Christ. How do you find the maker tonight? I'm so glad to be with you, I really love you in Jesus Amen. blessed is the man that carries the spirit of the Lord. So wonderful, to know that the Lord has given us a beginning in Him. You know tonight I want to go into the word of the living God, because that's our soul food, Amen. In Genesis 1:1, it tells us that in the beginning God created heaven and earth. Many are wondering tonight where certain things come from, but we don't have to wonder about that. We know that all good things come from God. And we realize that the source of all living is from the Lord Jesus Christ. For it tells us in Genesis 1:1 In the beginning God created the heaven and the earth. Blessed is the believer in that word. John 1:3 Says in the beginning was the Word and the Word was with God and the Word was God. The same was in the beginning with God. And all things were made by Him. And without Him was not anything made, that was made. I'm so glad that I know the source of my beginning.

I realize the Author and the Finisher of my faith. I realize right now, why you're watching tonight. I realize that it is because you're motivated by God, even more than you realize. Everything in your life is important to God. Sometimes man counts certain things not so important, But God counts all things we do important. That's how great He is, how wonderful He is. Truly He is Jesus. You know in Revelations 1:8 He says, I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty. I am the Alpha and the Omega, says Jesus. the beginning and the end. I'm so glad that God knew that we who have a beginning and an end. Even though He came from that eternal spirit that has no beginning and no end, for He is eternal. He for our sakes took that beginning and end. That I might clasp hands with God Almighty. And meet Him by the throne of grace and say Amen and see Him face to face as He is.

When we begin to talk about beginnings, it's such a great subject, because of course in the beginning, God created heaven and earth. And we realize in Revelations 21:6 And He said unto me, it is done. I am Alpha and Omega, the Beginning and the End. I will give unto him that is athirst of the fountain of the water of life freely. How can we not remember? When was Jesus sitting by the well? When that woman of Samaria was there, and He asked for a drink. You know I wonder tonight, if you feel Jesus asking you could you give Him a drink? You know He said to that woman in that day," John 4:10 If you knew who it was that was speaking to you, you would ask of Him, and He would give you the belly of Living waters where in you would never more thirst. Just think of that. And she said I want this water. Give me this water where I shall never thirst anymore. But Jesus was talking of a spiritual water. And of a new beginning, if she would only come to Him, that she surely would taste of a miracle life, and taste of a miracle water. I wonder about you tonight; how would you like a new beginning, How would you like to find your life anew, How would you like to know that all the sins of your life have been washed away by the blood of the Lamb, How would you like to realize, it's not just something that you hear, But it's something that's for you. And it's something that Jesus wants to do for you. He wanted to give that woman that day; because that is the God we serve. He never comes around your door, but what He wants you to open up, that He might come in and sup with you. And that He might give you something. Something to start on, something to begin with. And there's nothing any greater to begin with right now than the Lord Jesus Christ. Don't wait till tomorrow. Sometimes man might say, well I'll wait maybe tomorrow I will start and live different. Don't wait until tomorrow. Right now, is the time to begin your life in Jesus. As Jesus desires to begin His Life in you. There are so many beginnings. You know as we read in Revelations 1:11 I'm talking about the great beginning in your life. In Revelations 1:11 Jesus is saying, I am Alpha and Omega, The First and the Last, and what thou seest write in a book. My, that's the greatest story ever written. To realize that Jesus again is saying, I am Alpha and Omega, the First and the Last. The beginning is in Him. The beginning you can't find it in the world. It's not in the doctor's in the morning. It isn't, well maybe I'll go and get a pill or maybe I'll go and get something that will help, well bless your heart. You don't have to wait till the morning. You can have that right now. Because Jesus is the Great Physician. And He'll give you that beginning right now. All you have to do is kneel where you are, or say a prayer right now, in your heart. Amen, you have a closet there. You have a place in Jesus that's precious to Him. And you can have your beginning. Praise the name of the Holy Lord. truly He says, I am the Alpha and the Omega. And He Revelation 1:11send it to the seven churches: to Ephesus, Smyrna, Pergamum, Thyatira, Sardis, Philadelphia and Laodicea. I tell you tonight, that you should be in that church triumphant. Why? For your sake. Amen. Because Jesus dwells in His church. And He begins to intermingle with His people. And that is what you really need tonight. You need Jesus in your life. You might be a little bit leery and say well can I really live it? I want you to know, just open your heart, and let Jesus live in you. When Jesus lives in you, you don't have that problem. Jesus will see that all those fears will vanish. Because God, He is God. And there is a power in the Lord Jesus Christ. That Power is what you need right now. Oh, gifts are beautiful, and you need the greatest gift of all. You need the gift of eternal life.

Remember in Matthew 19:8 that Peter at one time when he realized about the Gentiles coming in. He talked about, it says in Matthew19:8 And He said unto them, Moses because of your hardness of your hearts, permitted you to put away your wife, but from the beginning it was not so. Forgive me that is not the scripture about Peter, so you bear with me, that was the scripture that Jesus used. But it still concerns a beginning, Amen. And it's about the beginning that Jesus wanted to take man to. He wants to take you to that beginning, so the Lord had the better scripture, right where He wants it. I praise the name of Jesus, because He's working for you. I say He's working for you right now. And I want you to remember that He is saying from the beginning it was not so.

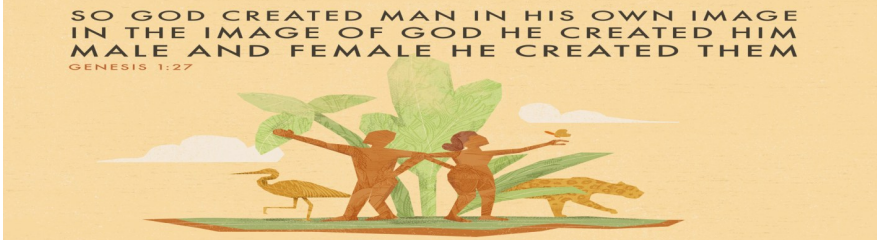

It's not meant to be that you should feel hard. It's not meant to be that you can't have happiness. But it means that you should have Him, Amen. You should have Jesus right now, and Jesus is wanting to come into your life. Right now, in your living room, in your kitchen, wherever you are, but most of all in your heart. Amen I truly thank the Lord. I truly thank the Lord tonight. For He tells us that, verily, verily, I say unto thee, says Jesus in John 3:5-7 He said except a man be born of water and the spirit he cannot enter into the kingdom of God that which is born of the flesh is flesh and that which is born of the spirit is spirit. God He is spirit. The natural eye cannot see Him. But He is there with you right now. All you have to do is say yes Lord, And He that is spirit will enter your soul. And will enter your heart. And will give you a new beginning right now. Just say yes to Jesus. And see if what the Lord is saying to you now, through me right now, through the spirit if it isn't so. He said marvel not that I said unto thee, ye must be born again. You see you and I must be born again. We must have that beginning. It doesn't matter what you have done, sometimes man feels oh I have done so much; it can't be possible that I'll feel so different. I tell you right now, there is a difference. You'll be a new creature in the Lord Jesus Christ. All you have to do is reach out in sincerity with all your heart. All you have to do is say yes to the Lord.

You know sometimes you might say, I hear so much about it. Yes, but did you ever do anything about it? You see until you do something about it, you won't realize what this great beginning with God really is. I implore you tonight in the name of our Lord Jesus Christ, that you seek out right now in your heart. Just say right now to the Lord yes, Lord, yes Lord, I'll accept that beginning with you, Amen.

You know Jesus means so much to me. He gave me that beginning and born-again time. And He's more than God to me. He's friend, He's companion, He's savior, He's the great Physician. The healer of my soul. He's the mender of a broken heart. And yes, He'll even give you a heart, that no pacemaker in this world will ever give you a chance, like Jesus will give you a chance with an extended life. I want you to know tonight, that He's God. And that He's more than God. He's proved Himself to be more, oh so much more. He's had so many names Amen. So very many names. He's called God and God Almighty. And Jehovah, Jesus, He's called many things. He's Wonderful, Counselor, Prince of Peace. He is all of these, He certainly is Wonderful. He's the Everlasting Father. And He's reaching out for you right now. Jesus said call no man Father on this earth. You have one Father. Do you know Him yet? You see Jesus knew He was Holy, my, so Holy. Amen. You know that new birth and new beginning. We want you to know tonight, it takes a miracle.

God bless your heart. Really God bless your heart. I know somebody having very much of a problem with your temper, God is saying so. If you'll look to Jesus right now, because you don't want it, God is saying so. look to him right now; He's going to help you in a miracle way. I say that through the knowledge of the Holy Spirit because we live by a miracle. You see it took a miracle Amen. It took a miracle.

We're going to go to God in Prayer and I want you to come right along and go to God in Prayer. *Dear Holy Father, it took a miracle for this world to be put right here where we are. Lord, it takes a miracle for You to keep it the way You do. Lord, I ask You to bless that one right now, that can't control their temper. And Jesus, they don't like it, and they do a lot of harm. And Lord right now You're talking to that one right now. And we ask God to let that miracle be. Oh, Jesus let it be for Your glory, Lord that they might realize how great You are. And that it took that miracle for each one of us.* You're going to notice the difference. you should testify for Jesus. God bless you and remember we're with you tonight because God had that miracle. Amen

TESTIMONIES & ENCOURAGEMENTS

ENCOURAGEMENTS FOR FEBRUARY

♥Keep your eyes open, hold tight to your convictions, give it all you've got, be resolute, and love without stopping. *(1 Corinthians 16:14)*

♥My beloved friends, let us continue to love each other since love comes from God. Everyone who loves is born of God and experiences a relationship with God. The person who refuses to love doesn't know the first thing about God, because God *is* love so you can't know him if you don't love. This is how God showed his love for us: God sent his only Son into the world so we might live through him. This is the kind of love we are talking about not that we once upon a time loved God, but that he loved us and sent his Son as a sacrifice to clear away our sins and the damage they've done to our relationship with God. *(1 John 4:7-10)*

ENCOURAGEMENTS FOR MARCH

☼But you, friends, are well-warned. Be on guard lest you lose your footing and get swept off your feet by these lawless and loose-talking teachers. Grow in grace and understanding of our Master and Savior, Jesus Christ.
(2 Peter 3:17-18)

☼You're kingdom subjects. Now live like it. Live out your God-created identity. Live generously and graciously toward others, the way God lives toward you." *(Matthew 5:48)*

VOCALS

God is, My protection, God is, My all and all
God is, My light in darkness, God is, My all and all
God is, My joy in the time of sorrow, God is, My all and all

CHORUS

God is, My today and tomorrow, God is, My all and all

God is the joy and the strength of my life
He removes all pain, misery and strife
He promised to keep me, never to leave me

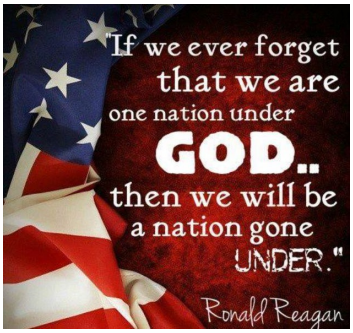

CHORUS

He'll never, never fall short of His word

I've got to fast and pray stay in that narrow way

Romans 13:1 Let everyone be subject to the governing authorities, for there is no authority except that which God has established. The authorities that exist have been established by God. I thank God that He don't see as man sees, man looks at the outward appearance and personality, but God looks at the heart, when it comes down to it, this is His world, His government and He knows what is best.
God is still in control.

CHRIS JARAMILLO

Praise the Lord I would like to share my testimony for the Lord. I want to give Jesus all the glory for what He is doing in our lives.

Right before thanksgiving time we had some roofers come out and look at our roof because we have what looked like a tarp on our roof. It was there because shortly after buying the house we realized it was leaking where our vaulted ceiling is located. Meredith had reached out to someone and he would just put roofing caulk and well that didn't work. So I remember sharing with Geraldo because I think I needed a ladder to borrow and I was sharing with him what was going on and he told me well you got to do something about it. I remember feeling at the time feeling a little slighted about it but he was right. So I bought some synthetic felt for the roof and put it right over the ridge of the roof and it did the job. For the most part, No more leaks.

That was like that for months and one day I think it was October a roofer came by and wanted to take a look at the roof. At first I didn't know about until a week or so later Meredith had shared with me. The same thing happened a year before but nothing came of it. Well this time was different. They reached out to our insurance company and they came out and shortly after within I think 2 weeks they (insurance company) approved us for another roof. The roofers had to reach out and for some more materials and to my knowledge was approved. I think we were approved on Friday the day after thanksgiving. And it was about two or three weeks later we got another roof installed. We didn't even have to pay for the deductible. Jesus took care of it all.

And here's the part where I have to make sure I tell all. So Jesus gets His Glory. In 2023 right after summer, early autumn we had another problem with our septic system. I remember just feeling totally beat. Feeing despair, I called the Lords house for prayer and I was telling Doris the situation. I remember Doris praying and in that prayer I remember feeling Gods sweet Holy Spirit come on me and I knew He was going to take care of it. I didn't know how but He did. He took care of our septic system back then and little did I know He would make sure our roof would be taken care of as well. I didn't know what all God was going to do it His Word is true. God moved in a miraculous way for our family. I mean that day when I called for prayer I went from total despair to feeling hope. I remember crying in our driveway because God touched my heart in such a way that well only God can. Nobody like Jesus

Praise His holy name now and forever.
God bless everyone

So Much More

I know that God is a great creator.
I know that He's mighty to be feared.
I know that God is everywhere.
And He's always right here.
And though I know, He is Jehovah, the great I Am it's true.
Still, He means so much more to me,
You see God knew me in my weakness.
Oh, then His strength filled my soul.
God knew me in my darkest hour.
OH, and His light made me whole.
And when the world seemed so cold around me,
I felt the blanket of His Love,
And that's why I love this God of mine.
His Holy Spirit is like a dove.

You see He knew I had an illness.
So, He healed me with His power.
He knew my every pain and fear.
And He filled my lonely hour.

Oh, He shared, and he cared for me through every stormy trial.
That's why I love this God of mine.
He made my life worthwhile.

Now some call Him Jesus, some say He's God.
Some talk of the man upstairs, in their hurried busy prayers.

Well, He is God. Oh, yes, He's God.
But oh, He's so much more to me.
Yet more, oh so much more.

You see He's the room I enter, as well as He is the Door.
He is my all in all, my every hope and prayer.
When I sought to end it all, He saved me from despair.
He's God, oh yes, He's God to me.

TESTIMONY by ECCLESIA RUSSELL

I want to thank the Lord for all that He did for our little family! Starting on 12/29/24, I was scheduled for an induction at 8am. I thought I would have him that night but unfortunately, that wasn't the case. I was in labor for over 2 days. During those 2 days, it was very hard but God was with me every step of the way. During my labor, I would progress, then nothing for HOURS. Then eventually, I stopped making progress all together and the baby was under distress and wasn't responding. They tried shocking him, moving him and still nothing. I also had my water broke for over 33 hours and unfortunately, due to that I got an infection and they were worried the baby was going to get it as well. During this whole process, there was a lot of terrifying news but we didn't lose faith in our Lord. The whole time, my mom and sisters kept reaching out to prayer warriors, we would play praise and worship music, we ourselves would call out to the Lord, my husband bought me pictures with scriptures and had them up in the room so I could read them for encouragement. No matter what, we all still trusted in the Lord the whole time! Well, the time came where the Doctors had to make a decision on what our next steps were. They came into the room and said I had an hour. If there was no change within the hour, we would need to move forward with the C section. I was scared of getting surgery, but during the hour of waiting, I accepted it would happen if that's what the Lord wanted and felt at peace, so much so I even did my makeup while waiting. I knew the Lord would be there with me and He would see me through whatever happens. The whole time I was prayerful and just placed my trust in Him. Well, the hour mark came up and it was official, I was having a C section. They wheeled me back alone to this bright and cold room. The whole time I was talking to Jesus and had my phone with my worship music playing in my ear. After about 20 mins, they finally brought Tyler back and they began the process of getting the baby out. They all say, "he's here," but I don't hear any crying and they don't bring him over to us instead he goes to the table. As I'm laying there freezing and shaking, nervous as to why I don't hear crying. I see the Doctor calling in backup, hooking up the baby to oxygen. He came out blue and wasn't breathing. In that moment, Tyler and I call out to the Lord. "Jesus help him to be ok." Well, what felt like a lifetime, a few short moments passed by and we finally heard a little whimper and the Doctors say "dad

Out of nowhere, time, space, and all the living whirl forth as God speaks the universe into existence. With the utterance of His voice, creation takes form, chaos yields to order, light eclipses darkness, and emptiness fills with life.
