SERVICE TIMES

SONday 11:00 AM & 5:00 PM

Thursday 7:00 PM

This is the time Jesus was there, and he was telling them through the book of the prophet he sayeth when he opened the book, he found the place where this was written: The Spirit of the Lord is upon me, because he has anointed me to preach the gospel to the poor, and that's what he's doing for the poor of the land, right?

And he has sent me to heal the brokenhearted. That really takes a position the world doesn't have. To preach deliverance to the captives. That gives you hope and faith and deliverance. And recovering of sight to the blind.

You thought you understood things that you realize now. No, you didn't see that at all. To set at liberty them that are bruised. How many have been bruised? To preach the acceptable year. You know when you're bruised that blood collects in one place? you know how the world's got the same blood and then collect the same conformity well he just he just gets rid of that that blood collecting one place because he's going to have it ministered all over the world it's going to be his blood and it's going to free them that are bruised to preach the acceptable year of the Lord

If you really realize that message it's my great physician is there about our body and a bruise there's a collecting of the blood there, did you know that the blood collects that's what caused that black that that bruise how many know that and it stays said at liberty, the blood, amen. **And** the blood is clean and free. And he sets it at liberty and moves, and he's going to heal. And he's to set at liberty them that are bruised.

That's a great revelation, if you're hearing this morning by the physician of our bodies and what he meant to set at liberty them that are bruised. They don't have to have the old blood collected there. They have the new blood flowing through them. And he closed the book, and he gave it again to the minister, gave it again to the minister, and sat down. all that he preaches and teaches it, it's great to know he gave it to the minister. I mean, that's very good book to the minister.

And the eyes of all them that were in the synagogue were fastened on him. And that's the way it should be too. When he gives the book to the minister, all of your eyes should go on to Jesus. And that's exactly right.

And he began to say to them, this day is the scripture fulfilled in your ear. And all bear him witness and wondered at the gracious words which proceeded out of his mouth. And they said, is not this Joseph's son? So, they couldn't understand what greatness because it seemed like such to them person but they knew that there was something coming from his lips that were beyond the ordinary that he had the wisdom and he had the word in such a way they didn't and I thank Jesus for that for coming up to the minister and for the whole assembly keep their eyes on Christ. And He said then you were surely saying to me this proverb. Now you know what a proverb is, it's something that says little but it's in it has a big meaning, right? Physician very wise saying This proverb said, "You'll speak this proverb, Physician, heal myself.

Whatsoever we have heard done in Capernaum do also here in my country." In other words, do something so great. Well, you know Jesus did, and only Him could heal Himself in this capacity. No one could keep the word but Him. No one could lift sin from the earth that grieved Him but Him. And He did that. It was proverb. They didn't understand what they said, but He understood. A great proverb was in there: "Physician heal thyself." Your broken heartedness, sins of your people, heal yourself. Well, He had to come and do it didn't He? And He said, "Verily I say to you, no prophet is accepted in his own country."

How could He tell him? How could He tell them the prophecy that the cross would do that? How could he tell them the prophecy of what was going to take place? He said, "No prophet is accepted in his own country." There's no way he could explain anything to them anyway. But I tell you the truth, many widows were in Israel in the days of Elias, when the heaven was shut up three years and six months, when great families were throughout all land. There was a lot of widows, family. So, you can't say wherever widow, wherever this, unto none of them was Eli sent save unto Zarephath a city of Sidon, and unto a God was sent somewhere else. You know, God didn't just sit up in heaven and hear us all. He came here, didn't He? But not to everyone. Not to everyone

that's without a husband do they've been called to cry. Not everyone. Do you understand that? It's more than just them away and about the cross too. And we're going to have to finish, He said. We thank the Lord. There's more, but how many of you got a little more at the great position? How He speaks and how Jesus, and how you're recognizing more in the midst. And you'll be able to say, "Lord, I do recognize you." And isn't that good? And that'd be so good because then your faith is increasing. And you know you say, "Oh well, that would be Jesus, and that must just be a person." That person is Jesus and he wants you know who's interested in your case.

He showed me the one that He was in there and what, where He was working and working. And that natural doctor came and said, "Oh, I just routine does," And I said, "How great our God." It has millions and trillions of people and has done case after case after case. And He gave me that vision so vivid, just as I would see you, except it was a Christ. And He's working over that one case. He's working like it was one case. It's like an attorney must win that one case, like he never had a case, never will again. Like a doctor has that one life, and that's all that he's got to get that one life.

God has millions and trillions and billions. He's working. And you know, I really appreciate seeing the Lord. I really see the Lord, His love for us. He's not like the world. Children, don't ever get men or women of this world mixed up with your Christ, because He is not like carnal man, is not like corrupt man. He's not like businesspeople of the world. But oh, He has a business for the child, and He has a heart and a love that's past knowledge, past anomaly. That's why we have a spirit of God to tell. And they revealed to us about this life. God Bless you!

TESTIMONIES

The TARIQ FAMILY - A Testimony of a Family of Refugees in Bangkok, Thailand

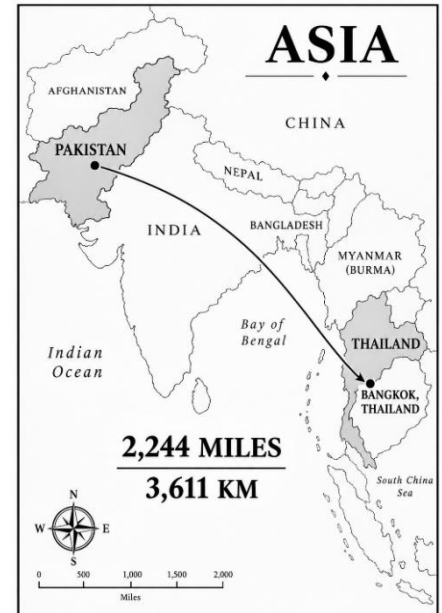

My name is John Tariq. My wife and I have Three Children. We left Pakistan because of religious and political persecution. We live in Bangkok Thailand as refugees. Since I met Sister Dorrece and Berm Tanawat and they prayed for my family, there has been many testimonies in our lives. Today, I am sharing some testimonies.

My first testimony is that our children used to stay at home and did not study because we are refugees; making it very difficult. Thank God that through your prayers, my children are going to regular school. My second testimony is that my son was injured from a fall on his head; but the hand of Jesus was under him. So, he is perfectly safe, Thank God.

I am grateful to the team at Full Gospel Sons Church of God who pray for our family continually. Because of your prayers, God has blessed us with many blessings.

Another Testimony, I want to share is; God never let us go hungry. God is providing food packages for us. Since sister Dorrece has been praying for us, God has opened all the doors for us. I am very grateful to Jesus and the whole team at Full Gospel Sons Church of God, Founders: Jesus Christ and Pastor JoVah, for all the prayers. Amen 🙏

My Testimony

First, let me say how thankful I am that GOD's plans are so much better than our plans. I am learning how to let go of what my small, mere mortal mind produces for me and allow Him to work things out for my good.

After my sister got her new car, GOD revealed that her Kia was having issues with its oil system. It was even mentioned that the oil was empty, although there was no way of knowing how long it had been in that condition and the last oil change was approximately 2 months back. I drove over 60 miles a day, five days a week, with the car in this condition. Yet GOD watched over me every mile and every journey.

After finding this out, I went to Google just to see how GREAT my GOD is. My question was: "What could happen to a car if you drive 60 miles a day for 5 days a week for at least 2 months with oil issues?" The answer mentioned problems that can include excessive oil consumption, low oil pressure, engine damage, engine seizure, loss of power, and, in some circumstances, fire.

Even before my Google search, I was thankful for how GOD had protected me. But after reading those possibilities, I looked back on so many times while I was driving when I felt GOD leading me to take different routes, which I thought He was navigating me around traffic. I can see now that He was watching over me and that it was all part of His plan.

This experience has reminded me once again why I will forever say: GOD's plans are so much better than ours.

The Prayer Closet

But thou, when thou prayest, enter into thy closet, and when thou hast shut thy door, pray to thy Father which is in secret; and thy Father which seeth in secret shall reward thee openly. Matthew 6:6 KJV

ATONEMENT BRINGS FREEDOM
A God-Given Freedom Through Christ

Prayer for atonement is not about pretending that we have everything together. It is about coming honestly before God. We can bring Him our failures, our disobedience, our wrong choices, our unforgiveness, and the things we have carried silently in our hearts. God already knows them, but He invites us to bring them before Him.

Take time to ask God to forgive you, cleanse you, and restore you. Ask Him to reveal anything that has created distance between you and Him. Pray for the courage to release what He is asking you to release and the humility to make right what needs to be made right.

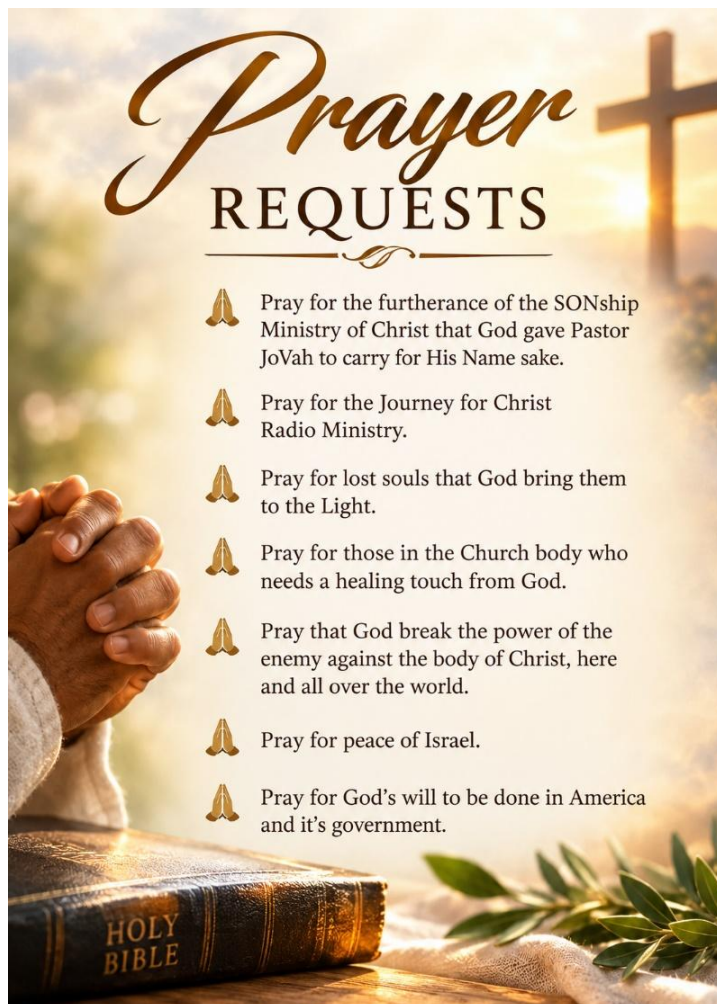

Sometimes we need more than forgiveness—we need restoration. We need God to restore our hearts, our relationships, our joy, our peace, and our desire to walk closely with Him. Atonement reminds us that God has made a way for us to come back to Him. As you enter your prayer closet, don't be afraid to be honest with God. Come as you are. Confess. Repent. Forgive. Release. Ask Him to restore. Then thank Him for making a way for you to be reconciled to Him.

Bring It to God. Leave It in His Hands.

Jubilee reminds us that God is a God of **release, restoration, forgiveness, and freedom**. As we seek Him, we invite you to bring your prayer request into the Prayer Closet. Whether you are seeking **atonement, healing, deliverance, restoration, peace, or simply need God to move**, your prayer matters.

Share a prayer request or a brief testimony of an answered prayer. **Your request may be anonymous, unspoken, or shared by name.** No matter what you carry, bring it before the Lord in prayer—and trust Him with the answer.

JUBILEE

(The Lord gave this song to the Church)

Jubilee, Jubilee, this day's Jubilee
Our souls are set free, at this Jubilee
His blood was shed for me, for this Jubilee

Come on now Children, join this Jubilee
Jesus gave this day, this day's Jubilee
He forgave our debts, that day at Calvary

Joy, Joy, Joy, at this Jubilee
Jesus gave this day, the day of Jubilee
Jesus is the way, the way of Jubilee

Satan's got no hold, at this Jubilee
Jesus set our souls free, at this Jubilee
In Jesus we trust, He gave this song to us

Jesus' blood was the cost for this Jubilee
Now our souls won't be lost, at this Jubilee
Word of God fulfilled, at the Father's will

The tempter's power is broken, at this Jubilee
The Word of God is spoken, at this Jubilee
Now we sing this song, God took away all wrong

No more pain or sorrow, at this Jubilee
Got hope for tomorrow, because of Calvary
Resurrection power, the power for you and me

The world can't compare to this Jubilee
Sing with all of Heaven, at this Jubilee
His Love is everywhere, enough for you and me

Joy, Joy, Joy, at this Jubilee
Jesus gave this day, day of Jubilee
Jesus is the way, the way of Jubilee

When Jubilee Comes

Original poem written for the Sonship Newsletter

When Jubilee comes, the chains are released,
The weary find rest, and the troubled find peace.
What once was lost, God restores once again,
He calls us from bondage and welcomes us in.
The debt has been lifted, the burden laid down,
The broken are mended, the lost have been found.
A trumpet declares what God's mercy has done—
Freedom has come through the work of His Son.
So, open your heart, let forgiveness flow,
And trust in the One who already knows.
For Jubilee whispers, "Come home and be free"—
The year of release is God's gift to thee.

The Price of Freedom

Original poem written for the Sonship Newsletter

The trumpet sounds across the land,
A call of mercy, grace, and peace;
The broken heart, the empty hand,
Can find in Christ their full release.
No chain too strong, no debt too great,
No soul beyond His loving care;
At Calvary He changed our fate,
And carried burdens we could not bear.
Jubilee—let freedom ring,
Let every captive heart rejoice;
For Christ has paid the price of sin,
And calls us home to hear His voice.

Learning from The Lord in Pastor JoVah's powerful teaching on The Jubilee series.

WHAT IS JUBILEE?

OT: Leviticus 8:17, 25:23 ✎ NT: Luke 4:18-21

Jubilee is more than a number on a calendar. It is a time when Jesus brings liberty, healing, restoration, and freedom. This message describes Jubilee as Jesus Himself standing in the midst, opening the book and declaring that this is the time, the acceptable year of the Lord.

The message uses the picture of a bruise to help us understand the work of Jesus. A bruise is a place where hurt and pressure have settled. Jubilee means Jesus comes to those bruised places to bring healing and new life. He works personally, heart by heart and life by life, as the Great Physician. Jubilee also teaches us where to place our attention. When the Word goes forth, our eyes should be turned toward Jesus, rather than toward people, the world, or our own understanding. Jesus comes where healing and liberty are needed, opening what has been closed, lifting those who have been captive, and restoring what has been lost. At the heart of Jubilee is the recognition that Jesus is the One who brings true liberty. He heals the bruise, opens the blind place, and gives back what life has tried to take. Jubilee is Jesus at work.

Take It With You:

Jubilee is not simply a time to celebrate. It is Jesus bringing liberty, healing, and restoration into the places that need Him most.

GOD'S RHYTHM OF REST

OT: Exodus 23:10,11 ✎ NT: Hebrews 4:1-11

Pastor JoVah teaches that there is a resting place in God but entering that rest requires more than simply hearing His Word. The children of Israel heard the gospel, yet the Word did not profit them because it was not mixed with faith. Their unbelief and disobedience kept them from entering God's rest.

This message reminds us to examine how we receive the Word of God. We can hear a message, sit in church, and still leave unchanged if our hearts are hardened toward what God is saying. Faith must be present in the heart so that the Word can produce something for God in our lives. Pastor JoVah describes **God's resting place as being in the heart of Jesus**. She emphasizes the seriousness of entering that rest and warns against allowing disobedience or a hardened heart to keep us from it. The message calls us not merely to hear God's Word, but to believe it, obey it, and live it.

Take It With You:

**Don't just hear the Word.
Mix it with faith, obey it, and live it.**

DEPENDENCE ON GOD'S PROVISION

OT: *Leviticus 25:18-22* 📖 NT: *Matthew 6:25-34*

Pastor JoVah teaches from Jesus' words, "Do not worry about your life." This message goes beyond worrying about having enough food or clothing. It challenges us to recognize the many concerns we carry about ourselves, our needs, our appearance, and the everyday details of life, and to learn to place those concerns in God's hands.

Jesus points to the birds as an example of the Father's care. They do not store away their provision, yet the Heavenly Father feeds them. He also points to the lilies, which do not labor to make themselves beautiful, yet even Solomon in all his splendor was not dressed like one of them. Through these simple examples, we are reminded of how completely God cares for His creation, and how much more we can trust Him to care for us.

This message also reminds us that our greatest beauty does not come from outward appearance. Christ in us brings forth a beauty that comes from God, expressed through His Spirit and His love. Pastor JoVah calls us to become free from unnecessary worry by standing on God's Word and trusting Him with every part of our lives.

Take It With You

**If God cares for the birds and clothes the lilies,
you can trust Him to care for you.**

GREAT DEBT CANCELLATION

OT: *Leviticus 25:23-55* 📖 NT: *Colossians 2:13-14*

This message teaches that the fullness of the Godhead dwells bodily in Him; we are complete in Him. It describes Christ as the Great Physician, the One who can remove the old sinful nature and accomplish within us what we could never accomplish for ourselves. Though we were dead in sin, God makes us alive in Him and forgives our trespasses.

The things that stood against us are pictured as a written record of debt. Christ blotted out that handwriting, took it out of the way, and nailed it to His cross. What once stood against us no longer has to remain over us. The debt that has been canceled and a people have been released. Jesus triumphed over principalities and powers, and because our completeness is found in Him, we are warned not to allow others to rob us of what we have received in Christ.

Freedom in Christ is also a call to remain connected to Christ, the Head. Just as nourishment causes a child to grow stronger, Christ nourishes His body so that it can grow with the increase that comes from God. The believer therefore does not simply celebrate being released from the old life BUT grows in the new life that comes from Jesus Christ.

Take It With You

**What stood against us was nailed to the cross. In Christ,
the debt is canceled, the old life is put away, and we are
made alive to grow in Him..**

FREEDOM FROM THE CAPTIVES

OT: *Leviticus 25:39-55* 📖 NT: *Luke 4:18-21*

This message teaches that although the cross is often associated with death, the cross brought freedom. Using Romans 7, Pastor JoVah explains that just as death releases a person from the binding authority of a law, believers are released through the death of Jesus Christ. What we could not accomplish through our own efforts, Christ accomplished for us through His sacrifice. Through Christ, the requirements of the law were fulfilled, and through His blood we are set free from sin. The message reminds us that Jesus did not come to condemn the world, but to save it. His death at Calvary paid the price that we could never pay ourselves.

That freedom also gives us a new way to live and serve God. Rather than merely following the letter of the law, God places His law within the heart and gives His Spirit. Through Christ, the believer is washed clean, given a new nature, and made a new creature who can serve God in spirit and in truth.

The message ultimately turns our attention back to Christ and Him crucified. Jesus took the blame, bore the sin, paid the price, and through His blood made a way for us to belong to Him and bear fruit unto God.

Take It With You:

**The cross was not only where Christ died. It is
where He paid the price that set us free.**

- | | |
|---|--------------------------------------|
| 1 cup cooked chickpeas (or canned, drained) | |
| 1 cup dry lentils (rinsed) | 1 medium onion, chopped |
| 1 leek, sliced | 2 carrots, peeled and chopped |
| 2 tablespoons olive oil | 2 cups wild greens (spinach or kale) |
| 1 teaspoon salt | ½ teaspoon cumin |
| ½ teaspoon coriander | 4 cups water or broth |

Instructions

- Sauté onions and leek in olive oil until soft and lightly golden.
- Add carrots; cook 3 minutes. Stir in lentils, coating with oil and vegetables.
- Add chickpeas, water or broth, salt, cumin, and coriander. Bring to a gentle boil, then reduce heat and simmer 35-45 minutes until tender.
- Add greens during the last 5 minutes to wilt.
- Taste, adjust and serve.

*I will command
My blessing upon you
in the sixth year,
and it shall bring forth fruit
for three years.
— LEVITICUS 25:21*

HONEY & FIG SPREAD

Figs and honey were gifts Israel enjoyed without labor, reminders that even in rest, God provides sweetness and nourishment.

Ingredients

- 1 cup dried figs, chopped
- ¼ cup honey

- ¼ teaspoon cinnamon (optional)

Instructions

- If the figs feel very dry, soak them in warm water for 5 minutes before cooking.
- Chop the dried figs into small pieces.
- Add figs, honey, water, and cinnamon to a small saucepan and stir.
- Simmer on low heat until the honey loosens, for 8-10 minutes until the figs soften and the mixture thickens. If the mixture gets too thick, add 1-2 tablespoons of water.
- Use a potato masher to mash to your preferred texture; smooth or chunky.
- Let cool 10 minutes; it will thicken as it cools. Place it in a small, sealed jar or plastic sealed container and it will keep for 5-7 days in the refrigerator.

*Pleasant words are as an honeycomb,
sweet to the soul,
and health to the bones.
— PROVERBS 16:24*

MILK AND HONEY CUSTARD

*You crown the year
with Your goodness,
and Your carts overflow
with abundance.

The Full Gospel Sons Church of God is located in the heart of Ohio, in Etna. We believe in the life, death and resurrection of the Lord Jesus Christ and that He will return one day to catch away the church. Jesus is the promised Savior sent as the supreme sacrifice; to forgive and redeem us from all our sin. We have been commissioned to further the Sonship Ministry of Christ (Romans 8:14) spreading the gospel of Jesus Christ in word and deed. We invite you to share the warmth and love of Jesus as we worship the One True God. Come and take a journey for Christ with us as we grow in our community and as the body of Christ.

When Jubilee Becomes More Than A Celebration

What if Jubilee were not simply something we read about in Scripture? What if it were more than a theme, a special service, or a celebration on the church calendar? What if Jubilee were happening in us today?

Perhaps Jubilee begins when a person who has carried worry finally learns to trust God. The concerns may still be there, but they no longer have to rule the heart. We remember that if God cares for the birds and clothes the lilies, surely, we can place our lives into His hands. Perhaps Jubilee appears in the bruised places of our lives. Places where hurt has settled, doors that seem to have closed, and things that appear to have been lost. Yet Jesus comes as the Great Physician, bringing healing, liberty, and restoration.

Jubilee may sound like chains breaking, because the cross tells us that what once held us does not have the final word. Christ paid the price we could not pay. Through Him there is forgiveness, freedom, and new life.

And now we see another beautiful picture of Jubilee: a great debt cancellation. Colossians tells us that what was written against us was blotted out, taken out of the way, and nailed to the cross. We were dead in sin, but through Christ we are forgiven and made alive. We are complete in Him, and Christ continues to nourish His body so that we can grow in God.

But after the chains have fallen and the debt has been canceled; there is still somewhere God wants us to go: into His rest. God's Rest reminds us that hearing the Word is not enough. The Word must be received with faith and allowed to live within us. Jubilee is not simply being released from something. It is being released into a life of trusting, obeying, and resting in God.

Jubilee is trusting when worry tells us to fear.

Jubilee is healing where life left a bruise.

Jubilee is freedom where something once held us captive.

Jubilee is a debt canceled at the cross.

Jubilee is receiving God's Word with faith.

Jubilee is resting in the One who has already made the way.

Maybe Jubilee does not always begin with the sound of a horn as it did long ago.

Maybe Jubilee begins quietly.

A burden is laid down.

A heart begins to trust.

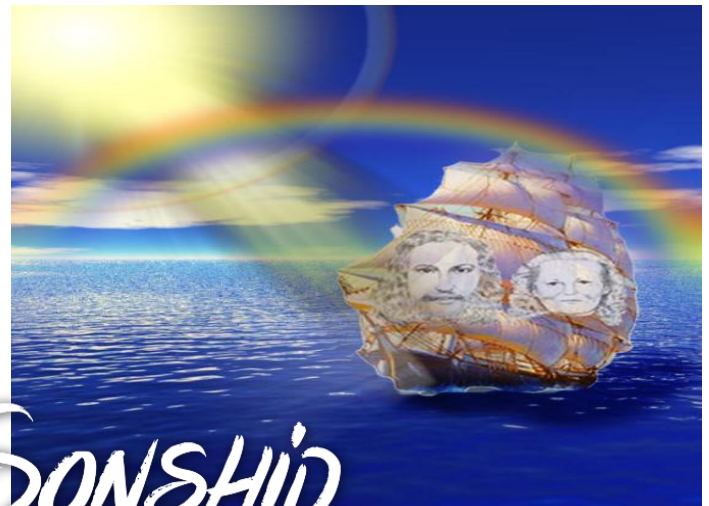

A wounded place begins to heal.

A chain loses its hold.

A debt that once stood against us is remembered no more.

A believer receives the Word and chooses to live it.

And suddenly, Jubilee is no longer simply something being celebrated around us. Jubilee is happening within us.

SONSHIP

So, then what will Jubilee look like in us?

It will look like-Faith ♥ **H**olding on to His every word.

It will look like-Redemption ♥ **E**mbacing the price He paid for us.

It will look like-Liberty ♥ **A**biding in freedom from what once held us bound.

It will look like-Freedom ♥ **L**iving by the NEW Principal of life.

It will look like-Healing ♥ **E**xpecting and trusting in His complete healing.

It will look like-Restoration ♥ **D**iscovering that He renews and restores

It will look like - **H • E • A • L • E • D**

Not simply a celebration of what God has done, but a life changed by what He has done.
